Community Development Districts

The District Government has a new look! We recently updated the logos used by District Management and the individual District departments for items and information that represent the collective community. The new logos will be incorporated on the website, publications and the purchase of new uniforms and vehicle decals.

CDD Orientation

Please join us each Thursday at 10:00am at the District office located at 984 Old Mill Run to learn about how the Districts operate and other important community information. For additional information, please contact us at (352) 753-4508.

El Santiago Update

The exterior of the building is near completion. The Mechanical, Plumbing and Electrical (MP&E) rough in work is complete and the drywall installation is nearing completion. The project is on schedule.

Lake Sumter Landing Bridge Maintenance

The structural modifications to the Lake Shore Drive Bridge are now complete. The first section of the new concrete deck is being currently being installed and the work is scheduled to continue until July 22, 2015. While this work is completed, please use caution in the area and follow all detour and directional signage. The surrounding restaurants and shops are remaining open for your enjoyment.

Savannah Center

The wood floor refinishing in the lobby is now complete. The carpet replacement in the banquet rooms and lobby will be done in early August. Stay tuned to www.DistrictGov.org for additional information!

Mulberry Grove Recreation Center

In our efforts to keep the recreation facilities in optimal condition, the Mulberry Grove Recreation Center just received a new roof. We appreciate your patience while this work was completed. Please stop by to see the improved facility!

Paradise Pool

The Paradise Pool will be closing in July for renovations. The pre-construction meeting is scheduled for next week and we anticipate construction beginning mid-July. Please stay tuned to www.DistrictGov.org and Welcome Wednesday for additional updates.

Recreation

This July we're celebrating 30 years of Park and Recreation Month and the importance of parks and recreation for the world. From the start, parks were created to serve the people—to give them a place to appreciate nature, exercise, socialize and have fun. This mission lives on and will continue to intensify into the future. This July, let's celebrate the past, present and future of parks and recreation! This summer we're challenging Villagers to get gnarly and rock Park and Recreation Month 80s-style! For a complete schedule of activities, please visit www.DistrictGov.org.

Executive Golf

The grassing at De La Vista golf greens is complete. We have had the much needed afternoon showers and expect more this week to allow the sprigs to grow with mother nature's help. Chula Vista will be closed this week and the much needed rest along with some additional maintenance with cart path repair work will be completed. The new practice green location for Chula Vista and Mira Mesa has begun this week. The contractor will be moving soil and shaping the green area by the new design. This new green complex is located behind the Chula Vista Recreation Center, next to the pool.

Florida Chief Financial Officer Jeff Atwater invites you to attend Operation S.A.F.E., Be Scam Smart, a free workshop for seniors, their families and caregivers.

The Department of Financial Services launched Operation S.A.F.E. (Stop Adult Financial Exploitation) as part of CFO Atwater's On Guard for Seniors initiative. Be Scam Smart workshops are open to seniors, their family and caregivers to help inform, empower, and protect Florida's seniors from financial scams and fraud.

Tickets are required to attend the free workshop and can be picked up at any Regional Recreation Center. For more information, please call (352) 751-3939.

Be Scam Smart by learning about:

- The Psychology of a Scam
- How to Spot Fraudulent Behavior
- Common Scams that Target Seniors
- How to Fight Identity Theft

From seniors who attended Be Scam Smart workshops:

"Savored every moment of this workshop. The information was needed and vital for seniors' and consumers' financial survival." - West Palm Beach

"Presentations were great & well timed. Excellent information we all need to know." - Pensacola

"Every senior in the city and state should attend the Be Scam Smart Workshop." - Jacksonville

"Thank you for alerting us to the scam we as seniors are exposed to." - Brandon

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop is asked to advise the agency at least 5 days before the workshop by contacting Iris Collier at (850) 413-2854 or Iris.Collier@MyFloridaCFO.com. If you are hearing or speech impaired, please contact Iris Collier using the Florida Relay Service 1 (800) 955-8771 (TDD) or 1 (800) 955-8770 (Voice).

This Be Scam Smart workshop is brought to you in partnership with Sumter County Sheriff's Office, Marion County Sheriff's Office, The Villages Public Safety Department, Fruitland Park Police Department, Lady Lake Police Department and Wildwood Police Department.

Did You Know...

The Multi-Modal Path Discussion Group met on July 6, 2015 to review the findings of Individual Project Order 17 (IPO) with Kimley-Horn & Associates (Engineer). The IPO was previously approved to review options for center island markings and side markings on the multi-modal paths. The discussion group consists of representation from Districts 1-10 and the Amenity Authority Committee (AAC).

Following a presentation provided by the Engineer, the Multi-Modal Path Discussion Group discussed the findings and supported center island markings and solid, edge line striping on the multi-modal paths. Additional discussion will be forthcoming regarding the type of material that will be used for striping (thermoplastic, paint, epoxy, etc.)

The following actions were taken:

The Project Wide Advisory Committee (meeting concurrently with the Multi-Modal Path Discussion Group) approved recommending approval for center island markings and solid, edge line striping to the Sumter Landing Community Development District (SLCDD) for multi-modal paths in Districts 5-10. (The recommendation will be subject to determination of the material to be used for the striping.)

The AAC will have addressed the issue at their meeting on July 9, 2015 at 9:00 a.m. in the Savannah Center.

Districts 1-4 will address the issue at their meetings on July 10, 2015 in the Savannah Center:

District 1: 8:00 a.m.

District 2: 9:30 a.m.

District 3: 11:00 a.m.

District 4: 1:30 p.m.

To view the report from the Engineer, please visit www.DistrictGov.org.
