A Message From...

Schwartz Park Renovation

The pavilion is substantially complete and work on the erosion control is underway. The project is on schedule and is anticipated to be complete in April 2016. Please use caution in this area and remain out of all construction areas.

Del Mar & Boone Gate Attendant Restrooms

The selection of a General Contractor is underway. The bid will be issued in mid-April and the bids will be publically opened mid-May. The restrooms will be for use by the gate attendants working at those locations.

Villa Road Resurfacing

Resurfacing is taking place on many of the villa roads in Districts 5 & 6. A tentative work schedule can be found below. This schedule may be adjusted due to unforeseen circumstances, including weather. Each home impacted by this work will be notified exactly when the work is scheduled to take place in their area along with specific safety instructions. Please use caution and follow all directional signage and workers.

- Alexa & Audrey – April 18–22, 2016
- Cherry Vale & Heritage – April 25–29, 2016
- Bellamy & Jasper – May 9–13, 2016

A Message From...

Median Plantings

The replanting in the medians located at roundabouts is underway and should be complete by the end of April. Please use caution when landscapers are present and pay attention to all directional signage and cones.

Bridge Closure

The bridge on the multimodal path along Glenview Drive is currently closed. Please use Glenview Drive until further notice. Stay tuned to www.DistrictGov.org for additional updates.

Multi-Modal Path Markings

The Multi-Modal Path Discussion Group (MMPDG) reviewed and provided unanimous support to move ahead with recommended changes to the multi-modal paths based on a Technical Memorandum prepared by the District Engineer, Kimley-Horn & Associates, Inc. The memorandum specifically addressed striping and reflective pavement markings for the following areas on the multi-modal paths:

- Medians
- Geometrically constrained locations
- Trail-side obstructions
- Roundabouts

Districts 1-4, the Amenity Authority Committee the Project Wide Advisory Committee approved expending funds to move forward with the engineered changes on the multi-modal paths under their purview. Staff anticipates work to begin in April 2016 for the areas north of C.R. 466 and then progress south.
