Replanting

Replanting is continuing throughout our community. Phase I consisted of 20 cul-de-sacs in each District and is complete. Phase II consists of both cul-de-sacs and villa walls and will begin February 12th, weather permitting. To ensure your safety and the safety of all landscape workers, please use caution and follow all directional signage and cones.

PUBLIC SAFETY DEPARTMENT

The week of January 22-26 is the 2018 Florida Severe Weather Awareness Week. The Village Community Development Districts are participating by updating residents with severe weather information.

The schedule of daily hazards is as follows:

Monday 1/22: Lightning - <http://www.lightningsafety.noaa.gov>

Tuesday 1/23: Rip Currents and Marine Hazards - <http://www.ripcurrents.noaa.gov>

Wednesday 1/24: Tornadoes and Thunderstorms - <http://www.nws.noaa.gov/om/tornado/> and <https://www.weather.gov/wrn/spring2017-thunderstorm-sm>

Thursday 1/25: Hurricanes and Flooding

Friday 1/26: Wildfires and Temperature Extremes

Another big part of Florida Severe Weather Awareness Week is the tornado drill which will be conducted on Wednesday, January 24th at 10:00 AM EST. As in previous years, this will consist of the NOAA Weather Radio receivers being activated using the 'routine weekly test' code (i.e., same code used to activate the weekly Wednesday tests) and a TEST tornado warning message playing on the radio.
