What's Happening in Your District

Ribbon Curbing – Clifford Villas

Beginning on or about February 12, 2018, ribbon curbing will begin in Clifford Villas. This curbing will inhibit the growth of grass into the asphalt on the streets. Although only one side of the road will be closed at any given time, access to driveways MAY be impacted. The sections to be worked on will be marked with red chalk at least one day before the work begins. Work in front of any particular home will occur over a 3 day period and then work will move to the next section. Any inconvenience to any home site should be limited to a maximum of three days.

All irrigation must be turned off the day before the work begins. Any water on the streets will cause unnecessary delays and expenses.

Please respect the areas that are secured by either cones or tape. Any damage caused by going through these areas will cause additional delays and expense, which may be charged to the homeowner.

Inclement weather can and will cause these dates to be changed.

While there may be some preliminary work done prior to the actual start date this should not impact your entry and exit from your homes.

The Castille Company will be parking vehicles in the visitor parking area during this installation. If you have any questions, need additional information, or have any special needs, please contact District Property Management at (352) 753-4022.

Safety First!

The Villages®

Community Development Districts

The safety of residents and guests in The Villages is a high priority for your District Government. You can help do your part by adhering to the following rules and suggestions when travelling the community in your golf cart

- Obey all traffic laws, signs and signals
- Come to a complete stop at all stop signs / stop bars and proceed with caution when it is clear
- Do not exceed 20 mph in your golf cart
- Avoid distractions such as texting
- Pay attention to all signage indicating where golf carts can and cannot travel
- If you see something that needs attention on the multi-modal path, report it to Customer Service at (352) 753-4508

We encourage everyone to slow down and enjoy the ride! For additional information on golf cart safety or to view a helpful video, please visit www.DistrictGov.org.

Executive Golf

In a continuing effort to ensure the sustainability of Executive Golf Courses into the future, renovations and updates are continuing. Outside structural and landscape renovations are now complete at the Sunset Point Starter Facility. The upgrades include the removal of azaleas and replanting with split leaf philodendron. Burford hollies were added in the golf cart parking areas and the large oak trees were selectively thinned. Inside upgrades including kick plates on all doors and interior painting of the starter shack and restroom are scheduled to begin this month. These upgrades improve the function and aesthetics of this area for our golfing community.

The Villages®

Community Development Districts
District 2

Bill Schikora, a Supervisor from Village Community Development District No. 2 is hosting monthly Q&A meetings designed for residents of District 2. These meetings will be held on the 4th Tuesday of the month from 7:00 p.m. to 9:00 p.m. at the Santiago Recreation Center on Enrique Drive. The next meeting will be held on **February 27, 2018.**

** Please note that the August session will be held on 8/28/2018 at Savannah Center and the October session will be held on 10/24/2018 at the Savannah Center.

District 4 - Q&A Meeting!

In order to improve communications, each month residents have an opportunity to “chat” with a Supervisor of District 4. Residents are able to sit down together to discuss any topics they would like pertaining to District 4.

The purpose of the meetings is to provide residents with the opportunity to ask questions, get answers, share their concerns, offer suggestions and address rumors.

These “Q&A Meetings” provide an informal setting with no agenda, no scheduled speakers and no microphones.

All meetings will be held in the Liberty Room at Mulberry Grove Recreation Center

Meetings begin at 7:00 PM and end at 9:00 PM. (All residents are invited to attend the entire meeting to listen to other residents’ questions, but each resident may arrive and depart on their own schedules.)

Because residents choose the topics, each meeting will be different.

This month’s meeting will be held on:

Monday, February 12th – Don Deakin, Supervisor and AAC Representative for District 4, will be the host for this meeting.

Thursday, February 15th – Jim Murphy, Supervisor and Past Chair for District 4, will be the host for this meeting.

For more information, call District 4 Supervisor Don Deakin at 750-5395; or send an Email to: DRDeakin@aol.com or Don.Deakin@DistrictGov.org

OPERATION MEDICINE CABINET

The Sumter County Sheriff's Office, in partnership with The Village Fire Rescue will be sponsoring Operation Medicine Cabinet. This will give Sumter County residents a chance to dispose of unused or expired prescriptions.

The event will be held on Saturday **March 10th, 2018** at The Villages Winn Dixie Supermarket at 820 Old Camp Rd, The Villages, 32162.

Deputies and Firefighters will be on hand to retrieve the discarded medicines from **9am to 2pm**.

Proper disposal prevents the medicine from being stolen or abused. Thrown into the garbage, pharmaceuticals can wind up leeching into the environment. Flushed down a toilet the medicines can contaminate groundwater supply. Disposing of unused or expired medicine will also keep children and grandchildren from getting into the prescriptions.

Operation Medicine Cabinet provides a safe way of destroying pharmaceuticals through incineration, to avoid polluting the environment. Help us keep medications from getting into the wrong hands or our water supply.
