What's Happening in Your District...

Road rejuvenation is scheduled to take place on villa roads in District 5, District 6 and District 11. Door hangers and signs at the villa entries will be placed in all areas that will be impacted by this work. Please check the signs at your villa entry for application dates, as well as changes due to unforeseen circumstances.

This work is scheduled to be complete on **March 27, 2018**. Please understand that these dates may change due to equipment issues, rain delays or irrigation not being turned off. It is extremely important that you do not run your irrigation or do any car washing the day before, the day of and the day after application. The product needs to completely soak into the asphalt on a dry road to be successful. If you have any questions or concerns, please contact District Property Management at (352) 753-4022.

Yield to traffic when appropriate. It's better to yield than "be in the right" and risk injury.

Update Provided by...

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA) and North Sumter Utilities (NSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE

*AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT ALL WATER USED FOR **DRINKING, MAKING ICE, AND COOKING BE BOILED, FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE.** A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.*

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK.

IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT (352) 259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District Infrastructure.
