Personal Folding Chairs

Personal folding chairs are allowed to be brought to events. The setting up and leaving of chairs prior to 3:00 p.m. is prohibited. Any chairs set up and left on the square prior to 3:00 p.m. will be removed by District Property Management. Our efforts are to manage and maintain a safe environment for visitors, staff and contractors at the squares. We appreciate your attention and support of this matter which will allow our Squares to continue to meet our high community standards.

Road Closure

A portion of CR 501 from CR 468 to CR 470 is scheduled to be closed beginning April 16, 2018 for road reconstruction. A detour will be in place that will direct traffic from CR 470 to US 301 and CR 468. For additional information, please contact Sumter County at (352) 689-4400 or visit www.sumtercountyfl.gov.

Beginning next Tuesday, April 17th, SECO Energy will be upgrading the electrical service equipment near the Morse South Gate House. The upgrading of equipment will take SECO three days to complete. The work is anticipated to occur April 17, 18 & 19th and will result in a loss of power to the gate house for two half hour periods. Sumter County will be servicing the traffic signals at the Morse & CR 466 intersection using generator power. To assist in reducing traffic delays, please avoid this intersection when possible during this time period. Please expect traffic delays throughout this project. If you cannot avoid this area, please use caution as maintenance workers and equipment may create visibility challenges. We appreciate your patience and reduced speed when travelling in this area.

Four Tips to Help Conserve Water Indoors

- Turn off faucet while brushing teeth.
- Take shorter showers.
- Fix leaks in faucets, showerheads and toilets.
- Only wash full loads.

Did You Know??

The Villages®
Community Development Districts
Utilities

This April marks the 20th anniversary of Water Conservation Month. This month is traditionally one of the driest of the year and marks the peak demand season for public water suppliers.

The District especially encourages conservation throughout April on top of year-round conservation. District residents can participate by being mindful of water use in their everyday household activities.

Here are some tips on saving water indoors:

- Watch out for silent leaks in toilets. Remove the toilet tank lid and any colored cleaning agents. Flush to clear the water in the bowl. Add dye tablets, leak detector fluid or even a few drops of food coloring to the tank. If there is a leak, color will appear in the bowl within 10 to 15 minutes. Flush when the test is completed.
- Take shorter showers and make sure there are no leaks in showerheads. If there is a leak, make sure the showerhead is screwed tightly. Additionally, make sure showerheads are low-flow. Older high-volume showerheads deliver 4 gallons of water per minute. New low-volume showerheads deliver 2.5 gallons per minute. Pressures have been adjusted to the low-flow fixtures to deliver as good a shower as the higher flow showerheads.
- If you believe that you have a potable water leak, give Utility Customer Service a call at 352-750-0000 and they can review your billing history. Potable water conservation is a nationwide high light this month as this is a valuable resource. We all share in the stewardship of the valuable resource.
- Adjust wash cycles for laundry. Select the minimum volume of water required for each load. Normal and permanent press wash cycles use more water, so use the shortest wash cycle for lightly soiled loads. Stains can be pretreated to avoid rewashing.

To learn more about water conservation, please visit WaterMatters.org/Conservation.

Update Provided by...

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA) and North Sumter Utilities (NSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE

*AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT ALL WATER USED FOR **DRINKING, MAKING ICE, AND COOKING BE BOILED, FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE.** A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.*

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK.

IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT (352) 259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District Infrastructure.

A tentative schedule of the areas impacted in the upcoming week:

4/11 – 720 Cortez

4/12 – 1017 Del Mar Drive

Recreation & Parks

Parking in Construction Zones

For the safety and well-being of people and property, please refrain from parking in construction zones.

Pets & Play

For the enjoyment of all residents and their pets, there are five dog friendly leash-free parks in The Villages. These dog parks are fenced in play areas for both large and small dogs designed so dogs can run freely and socialize with other dogs. Please refrain from allowing dogs on the court facilities and recreation fields. Only service animals are permitted in the recreation facilities and District offices.

Guests 19 Years of Age & Older

With summer arriving, many of your family and friends will be visiting. Please be sure to tell your guests, 19 years of age & older, to always carry their valid photo ID along with their guest ID when they are using The Villages recreation facilities. Guest IDs can be obtained at all regional recreation centers and at the District Customer Service Center located at 984 Old Mill Run in Lake Sumter Landing.
