Welcome Wednesday News

This photo was submitted by Linda Sojourn, Finance Department as part of the photo contest for the cover of the annual Village Community Development District No. 9 Audit Report. To view the entire audit report for District 9 or any of The Village Community Development Districts, please visit www.DistrictGov.org.

CDD Orientation

Please join us each Thursday at 10:00am at the District office located at 984 Old Mill Run to learn about how the Districts operate and other important community information. For additional information, please contact us at (352) 753-4508.

Information Provided by...

Tunnel Construction

Construction is scheduled to take place at the west entry of Tunnel M5 at Mariposa Way on Thursday, April 19, 2018 and Friday, April 20th from midnight until approximately 7:00 a.m. While we will make every attempt to limit wait time, there may be some delays. Please use caution and pay attention to all directional signage and workers when approaching the tunnel from any direction. If you have any questions, please contact District Property Management at (352) 753-4022.

SECO Energy

SECO Energy began upgrading the electrical service equipment near the Morse South Gate House on Tuesday, April 17th. The upgrading of equipment will take SECO three days to complete. The work is anticipated to occur April 17, 18 & 19th and will result in a loss of power to the gate house for two half hour periods. Sumter County will be servicing the traffic signals at the Morse & CR 466 intersection using generator power. To assist in reducing traffic delays, please avoid this intersection when possible during this time period. Please expect traffic delays throughout this project. If you cannot avoid this area, please use caution as maintenance workers and equipment may create visibility challenges. We appreciate your patience and reduced speed when travelling in this area.

The Recreation News

At the recent Amenity Authority Committee (AAC) and Project Wide Advisory Committee (PWAC) meetings, staff was directed to continue to move forward with reviewing changes and improvements to the Recreation News. The written and web based versions of this publication will continue to be vetted during the next several months.

There are no plans to discontinue this publication. Please read The Villages Daily Sun and www.DistrictGov.org for further information.

Did you know that the Recreation & Parks Department offers a variety of walking sidewalks and trails for Residents and their Guests to enjoy? Many of these walking areas can be found right at your local recreation center!

Mulberry Grove Recreation Center
Walking Distance Around Building ≈ 4/5 mile

Update Provided by...

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA) and North Sumter Utilities (NSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE

*AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT ALL WATER USED FOR **DRINKING, MAKING ICE, AND COOKING BE BOILED, FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE.** A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.*

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK.

IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT (352) 259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District Infrastructure.

A tentative schedule of the areas impacted in the upcoming week:

4/18—902 Silver Oak & 925 Weeping Willow

How much is enough?

Always wondered if your water bill and water consumption could be less, but not sure what it should drop to? Based on guidelines from SWFWMD and the University of Florida, a local engineering firm produced guidelines for average monthly consumption based on the type of home you have. However, with active management, your water usage and bill could be significantly less.

If you live north of C.R. 466 with a single water meter

Your home is:	Your water usage should average this per month:
Patio style	6,500 gallons
Courtyard style	7,000 gallons
Ranch style	10,800 gallons
Designer style	10,700 gallons
Premier style	21,200 gallons

If you live south of C.R. 466 with an outdoor-use meter and indoor-use meter

Your home is:	Your water usage should average this per month:	
	Outdoor	Indoor
Patio style	3,000 gallons	+ 3,700 gallons*
Courtyard style	3,500 gallons	+ 3,700 gallons*
Ranch style	7,300 gallons	+ 3,700 gallons*
Designer style	7,200 gallons	+ 3,700 gallons*
Premier style	17,700 gallons	+ 3,700 gallons*

* 3,700 gallons monthly average represents indoor usage for a household with two occupants, regardless of home size.
