The Villages®

Community Development Districts

The safety of residents, guests, staff and visitors in The Villages community continues to be of utmost importance to the District. As the guidance provided by the Centers for Disease Control and Prevention (CDC), the Florida Department of Health and Governor DeSantis on the prevention of COVID-19 continues to update, the District implemented a carefully phased re-opening plan. As the majority of recreational facilities are now open, this will be the last COVID-19 District Action Plan. For updated information, please continue to check The Villages Recreation & Park News, www.DistrictGov.org and sign up to receive e-Notifications.

District Administrative Offices located at 984 Old Mill Run

The District Administrative Offices at Lake Sumter Landing are open on an appointment only basis. Appointments can be made by emailing or contacting the appropriate District Department. If you do not know which department to contact, please call the District Customer Service Center at (352) 753-4508. Masks are required for all appointments at the District offices.

There is a drop box available in the breezeway outside of the District office. If you need to drop off correspondence, please utilize the locked drop box.

How do I learn more about the District government in The Villages?

Resident Academy is an interactive program for residents who are interested in learning about their local government. Our ultimate goal for the Resident Academy is to alleviate the confusion, questions, or mis-information that exists throughout the community regarding the responsibilities and functions of the Community Development Districts. During this program, participants will receive an in-depth look at the various District Departments and how they work together to make this the best community to live, work and play. Department Directors will also be available to answer questions or make appointments for those seeking additional information.

Resident Academy will be held the following dates from 8:30 a.m.—1:30 p.m.

- Wednesday, July 22, 2020 at Savannah Recreation Center.
- Monday, October 12, 2020 at Rohan Recreation Center.
- Monday, November 16, 2020 at Rohan Recreation Center.

The following schedule gives a description of the departments that participants will have the opportunity to visit and interact with. If you are interested in becoming a part of this exciting program, you can register online at www.DistrictGov.org, in person at one of the District Customer Service Centers or at any Regional Recreation Center.

Week Four: Supporting Others

While 1 in 5 people will experience a diagnosable mental health condition in their lives, 5 out of 5 people will go through a challenging time that affects their mental health. Sometimes simple things that a person says or things that they do will help the people in their life who are struggling to get through the tough times and those same actions can have a positive effect for the support person.

- ◇ **A strong social support system improves overall mental health outcomes and the ability to bounce back from stressful situations.**
- ◇ **One study found that providing support to others increased activity in the part of the brain associated with rewards.**

This week, and every week, **SUPPORT EACH OTHER!** Many people are going through very difficult times such as losing jobs, worrying about their and their families health and safety, taking care of sick family members, or even losing friends or family members to COVID-19. It is important to remember we are all in this together, we all need support sometimes, and we should always support each other through good and bad times.

Some tips to remember, now and in the future include:

- **Practice active listening.** This is different from hearing what a person has to say. A good active listener puts everything aside and gives their complete attention to the person who is talking; asks open-ended questions to get more details about the topic that is being discussed; and takes moments throughout the conversation to summarize what they've been told and make sure they are understanding clearly
- **Don't compare.** If a friend or loved-one is going through a tough situation and they come to you for support, you might feel tempted to tell them about something that happened to you and how you were able to get through it. It's okay to share about similar experiences, but be careful not to compare because it can make someone feel like their pain isn't valid.

The Villages®
Community Development Districts
Risk Management

- **Ask what you can do.** It can be tempting to assume what would be helpful to someone who is struggling, but it's always better to ask them what they need from you. If you ask and get a response like, "nothing, I'm fine," offer up a few suggestions for things you would be willing to do. For instance, you could offer to come sit with them and watch a movie, cook them a meal, or pick up a few things for them at the store.
- **Keep your word.** If you have offered your support to someone and told them you would do something, keep your word. When a person is struggling, the last thing they need is to feel abandoned by someone else. If you absolutely can't honor your promise, make a sincere apology and find another time that you can do what you said you would.
- **Don't judge.** To be truly supportive of someone, you need to put your personal opinions and biases aside. They may be struggling because of a mistake that they made, or you may think that they are overreacting, but you will never know what it is truly like to be that person in this moment, and criticism is not helpful to their recovery.
- **Offer to join them.** When someone is going through a time of sadness or uncertainty, their emotions can take over and leave them feeling paralyzed and unable to take care of life's obligations. Offering to go with someone to help them take care of responsibilities like walking the dog, going to the grocery store, attending doctor appointments, or picking up the dry cleaning can help them feel a sense of accomplishment and lift their spirits.
- **Know when more serious help is needed.** Sometimes the support that you can offer won't be enough. If you notice that your friend or loved-one continues to struggle after weeks or months, they may be showing signs of a mental health condition and likely need professional help. Don't be afraid to encourage them to seek help from a mental health professional and offer to help them find a provider if needed.

Trained crisis counselors are available 24/7 by texting "MHA" to 741-741 or calling 1-800-273-TALK (8255).

If someone you care about is in immediate danger of taking suicidal action, seek help by calling 911 or going to the closest emergency room.

Rio Grande Air Gun Range

The Rio Grande Air Gun Range is underway, the foundations are complete and the structural steel has been erected. The project completion date is late July. The existing range will remain open until the new facility is completed. For a listing of closures due to COVID-19, please visit www.DistrictGov.org.

First Responders Recreation Center

The District has completed its due diligence for the site design, and the Civil “Review” Site Plans are near completion. The District’s architects are crafting the exterior elevations and anticipate to have the exterior design of the building completed in mid- June, as well as the preliminary mechanical, electrical and plumbing design for review. We anticipate the Bid Document phase to be completed August of 2020.

Utilities

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA) and North Sumter Utilities (NSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE.

*AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT ALL WATER USED FOR **DRINKING, MAKING ICE, AND COOKING BE BOILED**, **FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE**. A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.*

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK. THIS USUALLY CONSISTS OF A TWO DAY SAMPLING PERIOD TO INSURE SAFE DRINKING WATER.

IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT (352) 259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District Infrastructure.

KEEP IT CLEAR – WE WORK HERE

SECO personnel routinely perform work on transformers and meters on members' property. Field employees find it challenging to safely access padmount transformers and underground facilities when shrubs or fencing have been placed surrounding the front and sides of the equipment. The clearance zone is 10 feet in front and 3 feet on the sides and back of equipment. On meters, SECO needs unobstructed access to read the face and perform work safely. In maintenance and outage situations, the obstacles cause the work to take longer than necessary and most important, pose safety risks to our employees and can cause readings to be estimated rather than actual - resulting in an inaccurate electric bill.

Per our Terms & Conditions, these obstructions are simply unacceptable, and SECO is taking a firm stand on such violations. To raise awareness the co-op developed a new communications campaign called [Keep It Clear – We Work Here](#). The campaign renews SECO Energy's commitment to employee safety in the field.

Keep fences, shrubs and other lawn ornaments at least 10 feet away from the front of the transformer and three feet away from the back and the sides. Open gates, clear obstructions and relocate animals that restrict SECO access to metering equipment. Trim landscaping that blocks the meter face. If SECO is unable to obtain a clear view of the meter and record an accurate meter reading, the member may receive an estimated (and inaccurate) bill for that reading cycle.

In the spirit of customer service, SECO has practiced diplomacy and patience with members who have refused to comply with our safe clearance requirements. The Keep it Clear campaign changes our approach. Unimpeded, safe access to SECO's transformers and metering equipment is a necessity.

Information Provided By SECO

As SECO personnel conduct equipment audits across our service territory, members with equipment obstructions on their property will be required to clear the obstructions or trim the landscaping that impedes SECO personnel's safe access. The Keep it Clear campaign provides affected members with letters, door hangers, emails and other notifications advising of the need for obstruction removal. If those notices are ignored, disconnection of service is a last resort but a step that will be taken in extreme cases.

The vast majority of our members follow the clearance rules and respect the reasoning. If you are planning a landscape project, please be sure to maintain that compliance. If you buy a house in SECO's service or if the service is in your name as the renter, you bear responsibility for access to the electric equipment on the property. Thank you for your part in keeping SECO employees safe by ensuring access to SECO's electric equipment.

Silver Lake Executive Golf Course Survey

At the May 6, 2020 meeting, the Amenity Authority Committee (AAC) authorized staff to develop a survey soliciting resident input in the renovation of the Silver Lake Executive Golf Course. To complete the Silver Lake Executive Golf Course Survey, click on the following link- [Silver Lake Survey](#).

Option 1– Transition to a new concept – an 18-hole Pitch and Putt and nine-hole Putt and Play experience like the one in the south portion of The Villages (\$1,087,000 total for both experiences)

Option 2- Renovate existing course with modifications – new tees, new greens and design modifications including re-grassing (\$ 500,000)

SILVER LAKE EXECUTIVE GOLF COURSE SURVEY

At the May 6, 2020 meeting, the Amenity Authority Committee (AAC) authorized staff to develop a survey soliciting resident input in the renovation of the Silver Lake Executive Golf Course. In discussion with the AAC, the following options are being considered:

Your
input is
important
to us!

1 OPTION

Construct a new concept: an 18-hole Pitch & Putt with cart path and a 9-hole Putt & Play. A Pitch & Putt is a short par-3 course with yardages only requiring irons, wedges and putter. Typically, an 18-hole Pitch & Putt course will be 200-400 total yards shorter than a 9-hole Executive Course. A Putt & Play is a fun putting experience.

The new concept would be similar to experiences at Marsh Bend and Fenney areas in the southern area of The Villages.

2 OPTION

Complete a comprehensive renovation of the existing 9-hole Executive Course including new greens, tees, fairways and design modifications around the existing cart path/layout. The new concept would be similar to some of our other newer Executive Golf Courses.

~ Fiscal Year 2020-21 May Budget Workshops ~

As we continue with our Fiscal Year 2020-21 Budget Process, we will be conducting several budget workshops during the month of May. These workshops will include an in-depth review of the line-item budget, maintenance assessment rate schedule, working capital & reserve balances, and capital improvement plan updates with Board Supervisors.

As always these workshops are open to the public. Please note that the District Budget Workshops will be held in the Ashley Wilkes Room of the Savannah Regional Recreation Center to ensure that all social distancing guidelines are adhered to for the safety of all attendees.

Below is the schedule for the District May Budget Workshop remaining in May:

- **Thursday, May 28th**
NSCUDD - 9:00 a.m.

Residents are encouraged to provide input during the Budget Process. If you are unable to attend the above meetings then you may provide your comments by contacting a Committee member, contacting Richard Baier, District Manager or Barbara Kays, Budget Director at 751-3939 or email Barbara at Barbara.Kays@Districtgov.org.
