How do I find information about where I can fish in The Villages?

Florida is conducive to year-round fishing which makes The Villages a perfect community to offer ample fishing opportunities for those who wish to wet a hook and line. To ensure your fishing experience is enjoyable, it is important to know the rules and regulations for fishing these water bodies. The Village Community Development Districts and the State’s Water Management Districts oversee and manage many of the water bodies located throughout The Villages community. These water bodies serve several purposes for the community and also provide anglers fishable areas for their recreational enjoyment.

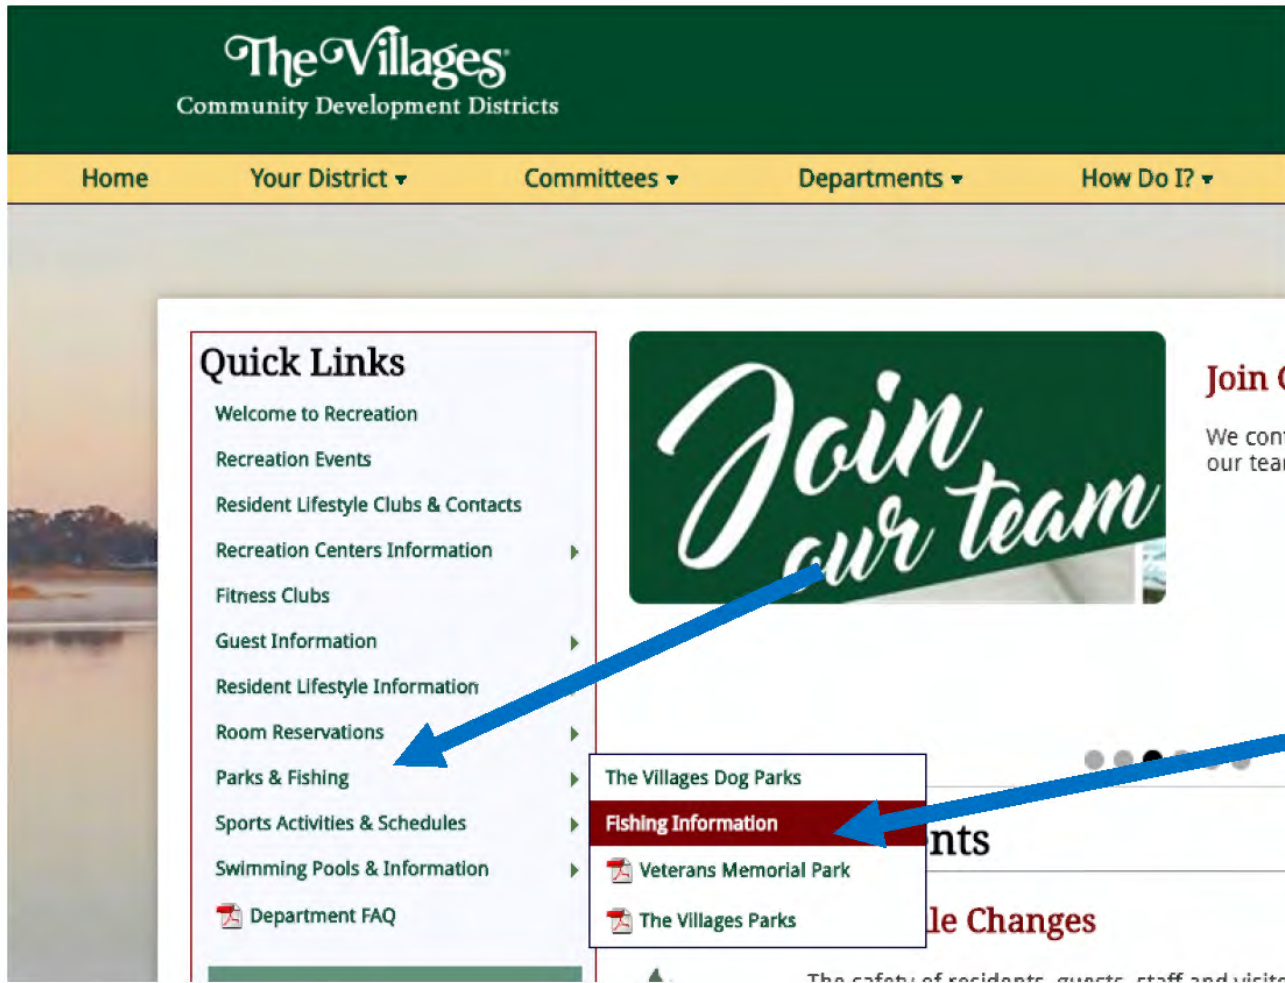

To find a complete set of fishing guidelines and map of local fishing areas, follow the steps below.

Visit www.DistrictGov.org and click on Departments/Recreation.

On the left hand side under Quick Links, click on Parks and Fishing and then Fishing Information.

Finance

Why is July 17, 2020 an important date?

July 17, 2020 is an important date for any resident who would like to pay his/her bond off in full. July 17, 2020 is this year's Bond cut-off date. If the Bond is paid off in full by July 17th, the bond assessment will no longer appear on the annual County Property tax bill. This option allows residents to save on future interest payments. *Payments can be placed in a drop box (at your postal station or outside our main office) or by making an appointment.* If you opt not to pay off your bill, you will continue to pay in annual installments. If you have any questions, please contact the Bond Team at bonds@districtgov.org or 352-751-3900.

Frequently Asked Questions and Answers

The Villages® Community Development Districts Customer Service

I lost my Villages ID. How do I get a new one?

Please contact the District Customer Service Center at 352-753-4508 to make an appointment. There are two locations to choose from: 984 Old Mill Run in Lake Sumter Landing or 4856 South Morse Boulevard just south of SR 44. There are two options to replace your ID. You can receive a free temporary 30 Day ID which will give you an opportunity to find your original ID. If you prefer not to get a temporary card, we can replace your ID with a new permanent card. Lost, stolen, or damaged Villages Resident ID cards will be replaced for a \$15.00 charge. A new resident ID number will be issued and a new photo will be taken each time a new ID is issued.

How do I replace my gate cards?

Please contact the District Customer Service Center at 352-753-4508 to make an appointment at one of the Customer Service Center locations. Bring any remaining gate cards you still have issued to your home as they are issued in sets of two. We will deactivate the missing card(s). If the missing card is part of a set, the set will be deactivated. We will issue you a new single card or a set of cards. It will cost \$15.00 to replace the missing card.

*Masks are required for all appointments at all District Administrative offices, due to the nature of the transactions being less than 6 feet apart.

The Villages Course Access Pass (CAP) Policy

The Villages Course Access Pass (CAP) policy will take effect as of 1/01/21.

Assignment of Course Access Pass cards will be issued only to those individuals who have a state certified disabled parking permit. A valid handicap placard, along with a driver's license and registration will need to be presented to the Golf Administration offices to obtain or renew a CAP Card.

Expiration date of Handicap Permit would be utilized for the CAP Card.

1. Yearly CAP tags are available at any country club golf shop and the tee time office.
2. Daily CAP tags can be obtained at the country club golf shops or executive course starter facilities. A Villages ID will be held during the round and returned once the daily CAP tag is brought back.
3. As of 8/1/2020 – golfers must have RA card or CAP card to receive benefit.
4. Current RA cards are valid thru 12/31/2020.

Use of Course Access Pass

- CAP privileges applies only to the individual(s) with the CAP card.
- Parking of golf cars on the slopes/surrounds of any green is prohibited.
- Golf cars must be kept a minimum of 10 yards from Greens.
- Do Not Park in front of Greens
- Avoid areas between the green and bunkers.
- When conditions warrant and the course has been designated Cart Path Only, ALL golfers including those with CAP cards must adhere to the cart path only restrictions.

Course Access Pass - Guidelines

Please Remember To:

- Always keep your cart at **least 10 yards from Greens.**
- **DO NOT PARK** in front of greens.
- **Avoid areas between green & bunkers.**
- Use the **90° rule** from the cart path.
- Enjoy your round of golf.

Working together through the changes ahead

As our communities take deliberate steps toward a cautious business-as-usual, we're doing the same. Here's what you can expect as we move into this next phase together.

On Tuesday, the company announced its intention to restart previously suspended billing practices, beginning in mid-August with disconnections for nonpayment not resuming until the start of September. Duke Energy Florida proactively paused key credit actions, including disconnections for nonpayment and the application of late payment fees at the onset of the pandemic. Later in March, we also suspended portions of our field operations and non-emergency work inside customers' facilities.

Since then, we have been methodically resuming select activities, consistent with our commitment to safely and reliably serve customers. All previously paused fieldwork and other interior, nonessential activity will steadily resume in the coming weeks. Duke Energy Florida employees and contractors who may interact with customers or engage in field work have access to necessary personal protective equipment (PPE) and will maintain social distancing to the extent practical.

We will continue to share regular updates on actions associated with COVID-19 as circumstances change.

The last several months have been hard on much of the business community. And as we see positive cases increase, the pace at which the state reopens will be affected. We understand the process of returning to normality will take time. Above all, we remain ready to listen, support and work with you as we move forward – together. Please reach out to your account manager for more information or specific questions. We are here to help.

Sincerely,

Mike Mangan

michael.mangan@duke-energy.com

As confirmed cases of Covid-19 are currently rising in Florida, we would like to remind all residents and employees to abide by the CDC guidelines to **help slow the spread of Coronavirus.**

What you need to know:

- Anyone can have mild to severe symptoms.
- Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

Know the Symptoms

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. One or more symptoms may appear 2-14 days after exposure to the virus.

- ⇒ **Fever or chills**
- ⇒ **Cough-Shortness of breath or difficulty breathing**
- ⇒ **Fatigue-Muscle or body aches-Headache**
- ⇒ **Sore throat-Congestion or runny nose-New loss of taste or smell**
- ⇒ **Nausea or vomiting-Diarrhea**

*This list does not include all possible symptoms.

Know How it Spreads:

- The best way to prevent illness is to avoid being exposed to this virus.
- The virus is thought to spread mainly from person-to-person.
- Between people who are in close contact with one another (within about 6 feet).
- Through respiratory droplets produced when an infected person coughs, sneezes or talks.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.
- Some recent studies show that COVID-19 can be spread by people who are not showing symptoms.
- There is currently no vaccine to prevent Coronavirus Disease 2019 (COVID-19).

What you need to do to protect yourself and your family:

1. Wash your hands often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose and mouth with unwashed hands.

2. Avoid close contact

- Inside your home: Avoid close contact with people who are sick. If possible, maintain 6 feet between the person who is sick and other household members.
- Outside your home: Put 6 feet of distance between yourself and people who don't live in your household.

Remember: people without symptoms or asymptomatic individuals may be able to spread the virus.

3. Cover your mouth and nose with a cloth face cover when around others

- **Everyone should wear a cloth face cover in public settings and when around people who don't live in your household, or whenever social distancing measures are difficult to maintain.**
- The cloth face cover is meant to protect other people in case you are infected with a small percent of protection for the wearer.
- Continue to keep about 6 feet between yourself and others. **The cloth face cover is not a substitute for social distancing.**

4. Clean and disinfect

- Clean and disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets and sinks.

5. Monitor your health daily

- Be alert for symptoms. Watch for fever, cough, shortness of breath or other symptoms of COVID-19. Especially important if you are running essential errands, going into the office or workplace, and in settings where it may be difficult to keep a physical distance of 6 feet.
- Follow CDC guidance if symptoms develop. Do not report for work when exhibiting any of the symptoms of COVID-19.

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA) and North Sumter Utilities (NSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE.

*AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT ALL WATER USED FOR **DRINKING, MAKING ICE, AND COOKING BE BOILED.** **FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE.** A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.*

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK. THIS USUALLY CONSISTS OF A TWO DAY SAMPLING PERIOD TO INSURE SAFE DRINKING WATER.

IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT (352) 259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District Infrastructure.

A tentative schedule of the areas impacted in the upcoming week:

2336 Pickens Pl 7/20/2020

Construction Update

The Villages®
Community Development Districts
Property Management

Rainey Construction Company is tentatively scheduled to begin resurfacing roads in the following area-

- **Greenbrier Villas-** July 13, 2020
- **Cameron Villas-** August 3, 2020

Dates may be adjusted due to unforeseen circumstances, including weather.

Everything possible will be done to minimize your inconvenience. For the SAFETY of our crews and all residents, we ask that you reschedule any work or deliveries to your Villa until the paving is complete as they may be denied access. Only residents and emergency vehicles will have immediate access during the construction.

PLEASE DO NOT run your irrigation, wash your vehicle or empty your pool during the week, as it will increase the work time.

ALL vehicles and trailers must be parked OFF of the roads and the overflow parking areas must be empty, as to not impede the work.

Please be advised that newly paved roadways will take approximately one hour to cure and should not be driven on while hot! Driving before this time could result in tracking asphalt onto your driveway and damaging the new roadway.

If you must travel through the construction, PLEASE drive slowly and watch for and listen to directions provided by the contract workers.

Our goal is to give you a new road that will last a maximum life with the LEAST amount of inconvenience. Your cooperation is GREATLY APPRECIATED. If you have any questions during the work there will be someone on site to help. For additional information, please contact District Property Management at (352) 753-4022.

GOLF CAR RULES OF THE ROAD AND SAFETY TIPS

When traveling the community in a golf car on a roadway or multi-modal path, we urge you to follow these rules of the road and safety tips to ensure a safe and enjoyable experience for everyone.

The multi-modal paths are designated for use by non-automotive, non-vehicular traffic such as bicycles, golf cars and pedestrians.

Slow Down and Enjoy The Ride!

RULES OF THE ROAD

1. Be 14 years or older to drive a golf car
2. Drive on neighborhood streets, marked roadside lanes, and multi-modal paths
3. Obey all traffic laws, signs and signals
4. Golf cars are subject to Florida's open alcoholic container laws
5. Speed not to exceed 20mph
6. Use hand and turn signals
7. Yield to automobiles
8. Come to a full stop at stop signs
9. Never enter a roundabout in a golf car
10. Golf cars are prohibited from roadways with posted speeds of 35mph or more

SAFETY TIPS

1. Provide a seat for each person/pet
2. Secure children and pets
3. Keep passengers seated in golf car
4. Keep arms and legs inside golf car
5. Enter traffic lane safely before turning left
6. Be aware of vehicles turning right (across the golf car lane)
7. Maintain golf car according to manufacturer's recommendations
8. Do not text/phone while driving
9. Limit passing slower golf cars
10. Pull off the path when you need to stop

BEFORE YOU DRIVE

Make sure the horn, brakes and lights work.

Check back-up alarm, tire pressure and applicable gauges.

Before backing up, look behind and see that all is clear.

If you have any landscaping or property management concerns while traveling throughout The Villages community, please call the District Customer Service Center at (352) 753-4508.
