# District Weekly Bulletin

Brownwood Paddock Square

## CDD Orientation

This valuable program is held each Thursday at 10:00 a.m. at the District office located at 984 Old Mill Run in Lake Sumter Landing. For additional information, please contact the District Customer Service Center at 352-753-4508.

**CDD Orientation is currently cancelled.**

## Information Provided by...

### District Administrative Offices

As the safety of residents, guests, staff and visitors in The Villages community continues to be of utmost importance to the District, all District Administrative Offices will continue to be open on an appointment only basis until further notice. Appointments can be made by emailing or contacting the appropriate District Department.

- Administration- 352-751-3939 or [CustomerService@districtgov.org](mailto:CustomerService@districtgov.org)
- Bonds- 352-751-3900 or [Bonds@districtgov.org](mailto:Bonds@districtgov.org)
- Community Standards- 352-751-3912 or [DeedCompliance@districtgov.org](mailto:DeedCompliance@districtgov.org)
- Customer Service- 352-753-4508 or [CustomerService@districtgov.org](mailto:CustomerService@districtgov.org)
- Human Resources- 352-674-1905 or [HumanResources@districtgov.org](mailto:HumanResources@districtgov.org)
- Recreation- 352-674-1800 or [RecreationDepartment@districtgov.org](mailto:RecreationDepartment@districtgov.org)
- Risk Management– 352-674-1828 or [RiskManagement@districtgov.org](mailto:RiskManagement@districtgov.org)
- Utilities- 352-750-0000 or [Utilities@districtgov.org](mailto:Utilities@districtgov.org)

If you do not know which department to contact, please call the District Customer Service Center at 352-753-4508.

Masks are required for all appointments at all District Administrative offices, due to the nature of the transactions being less than 6 feet apart.

**There is a drop box available in the breezeway outside of the District office located at 984 Old Mill Run. If you need to drop off correspondence, please utilize the locked drop box.**

**NOTICE OF VACANCY**  
**VILLAGE COMMUNITY DEVELOPMENT**  
**DISTRICT NO. 7 BOARD OF SUPERVISORS**

The Village Community Development District No. 7 Board of Supervisors is seeking applicants who are interested in filling Seat 5, which was recently vacated due to the resignation of an existing Board Supervisor. The remainder of the existing four (4) year term for the vacated Seat will expire in November 2022.

Any interested applicants must be a qualified elector which is defined by Florida Statute 190 as “any person at least 18 years of age who is a citizen of the United States, a legal resident of Florida and of the district, and who registers to vote with the Supervisor of Elections in the county in which the district land is located”. To obtain additional information or request an application you may contact Jennifer McQueary, District Clerk at (352) 751-3939 or obtain a copy of the application by clicking the header of this announcement.

Applications must be submitted to the District Clerk no later than Tuesday, September 1, 2020 at noon at the District Office, 984 Old Mill Run, The Villages.

The Board of Supervisors will interview applicants during a Special Board Meeting to be held on Thursday, September 10 at 8:00 a.m. at the Savannah Regional Recreation Center, 1545 Buena Vista Boulevard, The Villages, Florida 32162.

## Information Provided By...

### **Little Sumter Service Area Water Tower**

The Little Sumter Service Area (LSSA) Water Tower located at 1245 Augustine Drive will undergo scheduled maintenance and repair that began Monday, August 17, 2020. This project is expected to take approximately two weeks to complete and the work will not impact any pedestrian, golf cart or vehicular traffic.

## Information Provided by...

### **Waterlily Bridge**

The Waterlily Bridge that will be placed over Florida's Turnpike near the Waterlily Recreation Center is scheduled to be placed on August 26th and August 27th, weather permitting. For the safety of all residents, guests and workers, the Waterlily Recreation Center, parking lot and surrounding area, including Marsh Bend Trail, will be closed beginning at 5:00 p.m. on August 26th. The roadway and recreation facilities are anticipated to be reopened by 6:00 a.m. on August 27th. Please use caution in this area and pay attention to all directional signage. The Sumter County Sheriff's Office and Wildwood Police Department will also be present to assist in ensuring the safety of The Villages community. In addition, information provided by The Florida Department of Transportation regarding additional road closures is included below for your convenience.

# Information Provided By The Florida Department of Transportation

As part of the Multi-Modal Bridge project over Florida's Turnpike at milepost 303, in Sumter County, we will be performing a full closure of northbound and southbound Florida's Turnpike between CR 470 (Exit 296) and US 301 (Exit 304) to allow crews to set the bridge.

To perform this work, traffic will be detoured during the following dates and times:

## **Northbound and southbound Florida's Turnpike/SR 91 between CR 470 (Exit 296) and US 301 (Exit 304)**

Overnight full road closure, 11 p.m. Wednesday, August 26, to 5 a.m. Thursday, August 27.

If necessary, this closure may also occur from 11 p.m. Thursday, August 27, to 5 a.m. Friday, August 28.

### **Detour information:**

- Northbound Florida's Turnpike/SR 91 traffic wishing to continue north will be directed to exit at County Road (CR) 470 (Exit 296), travel east on CR 470 to US 27, travel north on US 27 to SR 44, travel west on SR 44 to W. Main Street/SR 44, continue west on SR 44 to US 301 and travel south on US 301 to access northbound Florida's Turnpike.
- Southbound Florida's Turnpike/SR 91 traffic wishing to continue south will be directed to exit at US 301 (Exit 304), travel south on US 301 to Commercial Street/US 301, continue south on US 301 to CR 470 and travel east on CR 470 to access southbound Florida's Turnpike.
- Okahumpka Service Plaza traffic wishing to access northbound Florida's Turnpike/SR 91 will be directed to travel south on Florida's Turnpike and exit at County Road (CR) 470 (Exit 296), travel east on CR 470 to US 27, travel north on US 27 to SR 44, travel west on SR 44 to W. Main Street/SR 44, continue west on SR 44 to US 301 and travel south on US 301 to access northbound Florida's Turnpike.

During the closure, motorists will not have access to the Okahumpka Service Plaza. The Turkey Lake Service Plaza located at milepost 263 will work as an alternate stop for drivers. Please note this schedule may change due to inclement weather or unforeseen conditions.

## Lost and Found

Depending on where items are found, inexpensive items will be held for one month at La Hacienda, Laurel Manor, or Eisenhower Regional Recreation Centers. Valuables will be turned over to the Lady Lake Police Department, Sumter County Sheriff's Office or Marion County Sheriff's Office within 72 hours. At the end of each month, unclaimed items will be donated to local charities. The Recreation Department is not responsible for lost items.

# Information Provided By SECO

## KEEP IT CLEAR – WE WORK HERE

SECO personnel routinely perform work on transformers and meters on members' property. Field employees find it challenging to safely access padmount transformers and underground facilities when shrubs or fencing have been placed surrounding the front and sides of the equipment. The clearance zone is 10 feet in front and 3 feet on the sides and back of equipment. On meters, SECO needs unobstructed access to read the face and perform work safely. In maintenance and outage situations, the obstacles cause the work to take longer than necessary and most important, pose safety risks to our employees and can cause readings to be estimated rather than actual - resulting in an inaccurate electric bill.

Per our Terms & Conditions, these obstructions are simply unacceptable, and SECO is taking a firm stand on such violations. To raise awareness the co-op developed a new communications campaign called [Keep It Clear – We Work Here](#). The campaign renews SECO Energy's commitment to employee safety in the field.

Keep fences, shrubs and other lawn ornaments at least 10 feet away from the front of the transformer and three feet away from the back and the sides. Open gates, clear obstructions and relocate animals that restrict SECO access to metering equipment. Trim landscaping that blocks the meter face. If SECO is unable to obtain a clear view of the meter and record an accurate meter reading, the member may receive an estimated (and inaccurate) bill for that reading cycle.

In the spirit of customer service, SECO has practiced diplomacy and patience with members who have refused to comply with our safe clearance requirements. The Keep it Clear campaign changes our approach. Unimpeded, safe access to SECO's transformers and metering equipment is a necessity.

As SECO personnel conduct equipment audits across our service territory, members with equipment obstructions on their property will be required to clear the obstructions or trim the landscaping that impedes SECO personnel's safe access. The Keep it Clear campaign provides affected members with letters, door hangers (see the next page), emails and other notifications advising of the need for obstruction removal. If those notices are ignored, disconnection of service is a last resort but a step that will be taken in extreme cases.

The vast majority of our members follow the clearance rules and respect the reasoning. If you are planning a landscape project, please be sure to maintain that compliance. If you buy a house in SECO's service or if the service is in your name as the renter, you bear responsibility for access to the electric equipment on the property. Thank you for your part in keeping SECO employees safe by ensuring access to SECO's electric equipment.

# Information Provided By SECO

**KEEP IT CLEAR  
WE WORK HERE**

**During a recent equipment audit in your neighborhood,** the technician was unable to access the transformer/meter on your property due to obstruction(s) such as fences or shrubbery blocking safe access. SECO Energy's Terms and Conditions of Service Section 207.3 Item B requires members to provide clear access to SECO's equipment.

Obstructions impede restoration during power outages and are a safety hazard to our employees and contractors. Remove all obstruction(s) from the transformer/meter to allow safe access. Once you remove the obstruction(s), please email photos of the cleared area around the equipment to [ESS@secoenergy.com](mailto:ESS@secoenergy.com).

Refusal to comply will result in disconnection of service. See the reverse side for clearance guidelines.

**Thank you for your cooperation.**

**KEEP IT CLEAR  
WE WORK HERE**

**TRANSFORMER CABINET OBSTRUCTION**

Remove fences, shrubs, plants, trees and other obstructions located within ten feet from the front and three feet from each side of the transformer/switch cabinet.

**METER OBSTRUCTION**

Remove or trim shrubs, plants and trees to allow safe access to the meter. Relocate fences or animals, unlock or open gates to allow SECO employees and contractors access to the meter. SECO will estimate billing usage/meter reads until this situation is resolved.

# What's Happening In Your District...

## **Callahan and Belle Glade Villas**

District Property Management (DPM) has received the necessary permit modification from Southwest Florida Water Management District (SWFWMD) to complete work within Wetland 88 (District wetland asset identification) under conditions of the Environmental Resources Permit. Regular updates of the District's progress to design, permit and advance the work are presented monthly to the District 10 Board of Supervisors. Now that the design is complete and the permit modification has been approved by SWFWMD, the District is proceeding with the procurement of a contractor to complete the work within the wetland. DPM will present a recommendation to award the contract for this project within Wetland 88 to the Project Wide Advisory Committee (PWAC) and the Sumter Landing Community Development District (SLCDD) for approval to proceed with the award of the contract.

The engineering review process of all existing conditions potentially impacting the pavement life span was necessary to develop the best solution to provide improved pavement conditions. It was determined from the review of the geotechnical borings performed that the pavement condition was being impacted by the seasonal groundwater intrusion into the pavement subgrade. Once the project within the wetlands is completed, DPM will monitor the groundwater elevations beneath the road surface for a few months to verify the intended results are achieved. Once the intended results are verified, the District will be able to move forward with the planned pavement restoration project. Based on current schedules the paving project is most likely to occur late in 2020 as part of the fiscal year 20-21 budget (beginning October 2020). The District will continue to provide regular updates to the District 10 Board, PWAC and Villa residents regarding project milestones and related project progress. Thank you for your patience and be assured the District is working diligently to provide a long-term and cost-effective pavement restoration solution. For questions and updates please contact Blair Bean, P.E., Director of District Property Management at 352-753-4022.

## Household Electronics & Hazardous Waste Mobile Collection - Amnesty Day

Saturday November 7, 2020

9 AM to 3 PM

Location: Lake Okahumpka Park, 6085 E. SR 44, Wildwood 34785

### What to Bring:

Automotive fluids and batteries	Household electronics (TVs, VCRs, computers, etc.)	Rechargeable household batteries
Cleaners	Latex & oil based paints	Smoke detectors
Fertilizers	Paint removers and thinners	Solvents
Fluorescent lamps and Mercury containing devices	Pesticides	Wood Preservatives
Fungicides	Pool Chemicals	
Herbicides	Propane Tanks (25 lbs)	

### What not to bring:

- Biological/Infectious waste
- Explosives
- Radioactive waste
- Empty paint cans

### HOW TO PACKAGE AND TRANSPORT CHEMICALS

1. Do NOT mix chemicals together.
2. Keep products in original labeled containers if possible.
3. Place containers into cardboard boxes to prevent breakage.
4. Place leaky container in clear plastic bag and transport in box with newspaper.
5. Put boxes in trunk or in back of vehicle away from passengers.

For more information, visit their website at <https://sumtercountyfl.gov/1236/Household-Electronics-Hazardous-Waste-Mo> .
