Community Watch

National Night Out is being celebrated on Tuesday, October 6, 2020. Due to guidance relating to COVID-19, our first National Night Out will be in the form of a caravan to all three squares. Community Watch, along with local law enforcement and first responding agencies, will make a loop around Spanish Springs Town Square at 4:00 p.m. on October 6th before travelling to Lake Sumter Landing and Brownwood Paddock Square. All of the participating agencies will stop at Brownwood for a brief meet and greet. We hope you can take a few moments at your local square and wave to your local law enforcement and first responders as they drive by, showing them a well-deserved THANK YOU for diligently working to keep us safe throughout the year. We hope to see you there!

Office of Management and Budget

The District will be celebrating the start of the new Fiscal Year 2020-21 today! The District's Fiscal Year runs from October 1st through September 30th. The Final Budgets for the 16 independent districts were approved at the September Board meetings in accordance to Florida State Statutes. The one dependent district (NSCUDD), submitted their proposed budget to the Sumter County Board of Commissioners who approved the Final Budget in July.

The Fiscal Year 2020-21 Budget consists of 53 Funds with a combined total Budget of over \$358 million! The Final Budget provides the resources to maintain high quality services while moving forward with efforts that ensure a positive sustainable future. We are committed to continually improving as we consistently review our operations for better methods to provide enhanced service.

Included within the numbered (residential) Fiscal Year 2020-21 Budgets are maintenance assessments which are the major funding source for these budgets. Most of the numbered districts had decreases or no change to their maintenance assessment rates! For District 9, the additional maintenance assessment revenue from the new Phase V provided a decrease of 1% to the maintenance assessments rates for all units in Phases I through IV. For District 12, the final platted acreage resulted in mostly decreases to the units except for two units, Unit 31V and Unit 40V, with slight increases. For District 13 – Phase I units will have maintenance assessments levied for the first time.

The Fiscal Year 2020-21 Final Budget information will be posted on the District's website – www.Districtgov.org next week.

Thanks to the Budget team which includes Board members, Committee members, and District staff along with residents that have provided input and attended budget workshops/board meetings throughout this past Fiscal Year.

⇒ **Alden Bungalows Neighborhood Recreation Center**

The Alden Bungalows Neighborhood Recreation Center will be closed for maintenance October 12th through October 14th.

SE 79th Clearview Avenue Gate

A contractor will be providing tree maintenance services at the future First Responders Recreation Center. This maintenance will take place Thursday, October 1, 2020 and Friday, October 2, 2020. It will impact traffic exiting the gate at SE 79th Clearview Avenue and heading north to County Road 42. Please use caution and pay attention to all signage.

Construction Update

The Villages®
Community Development Districts
Property Management

Rio Grande Air Gun Range

The project is substantially complete. The previous air gun range has been demolished. The new fences and landscaping are being installed at the previous range site. The District anticipates a mid to late October opening.

Construction Update

Brownwood Woodshop

The basic exterior of the building is complete. The electrical and mechanical systems installation are substantially complete and the finishes are being installed.

First Responders Recreation Center

The “Construction Review Plans” are substantially complete. The District has begun its review and comments in preparation to proceed with the bid documents in October.

Mulberry Canine Park Shade Structure

The District has received the bids for the project and they are under review. The District anticipates an approval to award the contract for construction in October or November of 2020.

Beginning October 1, 2020

SUMTER SANITATION FREQUENTLY ASKED QUESTIONS

The following Frequently Asked Questions relating to sanitation information pertain only to those residents residing in Village Community Development Districts 1-11 in Sumter County, Marion County and the Villages of Fruitland Park. For additional information, please contact Finance Customer Service at (352) 750-0000.

How much is the sanitation fee?

The current monthly residential fee for Sumter and Marion counties is \$22.24. Commercial customers can contact Finance Customer Service at 352-750-0000 for a current rate schedule and application for service.

Is this a permanent fee?

The collection of sanitation is part of your contractual declaration of restrictions and is provided by the North Sumter County Utility Dependent District (NSCUDD) which owns Sumter Sanitation. Sumter Sanitation contracts the service to Jacobs. NSCUDD has the authority and responsibility to amend its schedule of rates, fees, and charges from time to time to ensure the perpetuation of service.

When do I receive a bill for sanitation services?

The fee for the sanitation services is included on the monthly amenity/water/sewer/irrigation bill.

What happens if I pay late?

Monthly bills are issued with specific due dates. Amounts not paid by the due date are subject to a 5% (five percent) late charge as provided in the rate rule adopted by NSCUDD.

Can I have the sanitation bill sent to a third party, who is not the primary owner?

The bills remain in the name of the current property owner on file with the respective County Clerk's office. The owner of a participating dwelling unit or commercial unit whose name appears on the real estate tax bill for the property is the responsible party for the sanitation fee. Bills can be mailed to any address requested by the owner.

Beginning October 1, 2020

Can I schedule the sanitation fee payment through an automated debit to my bank?

The entire amenity/water/sewer/irrigation and sanitation bill can be set up for automatic draft, linked to existing bank accounts. The District cannot separate out the sanitation charge for an automatic debit service that is linked to existing bank accounts.

Do I have to pay the sanitation fee if my property is vacant?

Yes, the sanitation fee, along with the amenity/water/sewer and irrigation fees are year-round fees and charged regardless of whether the property is occupied or not.

Will I have two collection days?

Yes, the collection days will either be Monday/Thursday or Tuesday/Friday.

What if I don't know my sanitation days?

You can click the [Curbside Residential Sanitation Collection Information](#) link for a collection schedule or call the VCDD Finance Customer Service at (352) 750-0000 to speak to a Customer Service Representative. Schedules are also available at the Customer Service Centers located at 984 Old Mill Run or 4856 South Morse Blvd at Station 47.

What if my collection day falls on a holiday?

There will not be collection on certain scheduled holidays. To view these scheduled holidays, please visit the [Holiday Collection Schedule](#).

Do I need to separate my household waste from my recycling?

All materials can be placed in the same bag, no need to sort! All household trash should be placed in a sealed 20-30 gallon trash bag (any color, with the exception of red) and placed at the end of your driveway no later than 6:00 a.m. on your collection day or the night before after 5:00 p.m. Common household tall kitchen bags are also acceptable.

Why are we putting everything together?

Beginning October 1, 2020, all waste collected by CH2M/Jacobs will be taken to the Covanta Energy-From-Waste facility in Okahumpka, FL. In 2019, in addition to reducing the waste volume by 90% and saving over 225,000 cubic yards of landfill space, Covanta produced 77,292 megawatt hours of energy.

Beginning October 1, 2020

Where do I place the trash bags on collection day?

Place the bags at the end of your driveway, at the edge of the street. Bags must be placed for collection before 6:00 a.m. on your collection day or the night before after 5 pm.

What color bag do I use?

Any color bag is acceptable, with the exception of red, which is used for medical waste.

Will I put my yard waste out on Wednesday?

No, there will be no pick up on Wednesday. Yard waste may be placed out on either, or both, of your scheduled days. The following requirements for yard waste apply:

- Tree limbs and branches may not exceed four (4) feet in length, (4) inches in diameter, or exceed 40 pounds. They should be bundled and tied and placed at the end of your driveway. Lawn clippings and similar yard waste should be placed in bags. Yard waste bags remain acceptable. Dirt, Rocks, Sod, Concrete, and Contractor Waste WILL NOT be accepted.

What do I do with cardboard boxes, such as moving boxes and shipping boxes?

Boxes (must be flattened) may be placed out with your regular collection.

Can I put my bulk items out with my household waste?

Items such as office/desk or kitchen chairs, small lamps (bulbs removed) and ceiling fans (blades removed) can be placed with your household waste for disposal. Larger items such as appliances, couches, flat screen TVs, microwaves and grills must be scheduled for pick up by calling Sumter Sanitation at (352) 748-0109. A charge of \$10.00 will be added to your monthly utility bill for this service in the NSCUDD service area (Districts 1-11 in Sumter County, Marion County & The Villages of Fruitland Park). Bulk pickups must be cancelled at least 24 hours in advance of the scheduled collection date or the charge will apply. If you are unsure if you need to schedule a bulk pickup, please contact Sumter Sanitation at (352) 748-0109.

Beginning October 1, 2020

How do I dispose of household hazardous waste such as paint and motor oil?

Do not place household hazardous waste (flammables, paint, poisons, motor oil, etc.) with the household garbage. For information on hazardous material disposal, please see the contact information for your county below:

- Sumter County: (352) 569-6700
- Marion County: (352) 671-8465
- Lake County: (352) 343-3776

What if my garbage isn't picked up?

In some cases, garbage collection is delayed by the volume being collected on that day. If you are concerned that your home or street has been overlooked, please call 352-748-0109.

Beginning October 1, 2020

THE VILLAGES COMMUNITY DEVELOPMENT DISTRICTS

Sumter County, Marion County & The Villages of Fruitland Park

Household sanitation collection processes have been streamlined, both for your convenience and for the preservation of our environment and natural resources. By having more efficient services, we reduce the carbon footprint, reduce wear and tear on roads, use less fuel and minimize traffic in your neighborhood.

All waste, both household and yard waste, will now be collected on your 2 scheduled pick up days (there is no longer a separate day for yard waste).

QUESTIONS?

For questions about routes, schedules, and trash collection, please call Sumter Sanitation at (352) 748-0109.

For questions regarding billing, call District Finance Customer Service at (352) 750-0000. For more information visit www.DistrictGov.org

HOUSEHOLD WASTE

All household waste should be placed in a sealed 20-30 gallon trash bag (any color). All materials can be placed in the same bag, no need to sort! The trash bags should be left at the end of your driveway (again, no need to separate the bags), no garbage cans are allowed. Each bag should weigh no more than forty (40) pounds. Bags must be placed for collection before 6:00 a.m. on your collection day or the night before (no sooner than 5:00p.m.) Deed Restrictions do not allow leaving trash out on undesignated days. Wrap broken glass or other sharp objects in newspaper and place them where they cannot cause injury. For a list of holidays that may affect your normal collection day, please visit www.DistrictGov.org

BULK PICK UP

Items too large to be collected by the compactor trucks can be scheduled in advance by calling for a bulk pick up.

For those residents north of S.R. 44, please call (352) 748-0109 for scheduling. There will be a \$10 charge added to your utilities and amenities bill each time a bulk pick up is requested. Charges will apply for any scheduled pick up not canceled a minimum of 24 hours in advance of the scheduled date.

For those residents residing south of S.R. 44, please call (352) 750-0000 for scheduling.

HOMEOWNER YARD WASTE

Tree limbs or branches may not exceed 4' in length, 4" in diameter, or exceed 40 pounds. Bundle and tie such materials and place them at the end of your driveway. Lawn clippings and similar yard waste should be placed in bags.

The following WILL NOT be accepted:
Dirt, Rocks, Sod, Concrete, Contractor Waste

ENERGY FROM WASTE

All waste is transported to the Lake County Covanta Energy from Waste (EFW) Facility. Household waste or mixed solid waste (MSW) is turned into energy which is then transferred to the energy grid. Every 1 ton of MSW managed at the Covanta EFW facility offsets approximately 1 ton of greenhouse gas (GHG) emissions. Covanta's EFW facilities typically operate at 60-80% better than Federal and/or State permitted emission limits. The EFW facility has advanced air pollution control and are highly regulated to protect the environment.

For residents of The Villages residing South of State Road 44, sanitation services are provided and delivered to Covanta by Tri-County Sanitation.

LAKE COUNTY COVANTA EFW FACILITY FACTS

- Facility processes a total of 528 tons per day of MSW.
- Generates up to 14.5 megawatts of clean, renewable energy daily.
- Utilizes Air Pollution Control Equipment of semi-dry flue gas scrubbers injecting lime, fabric filter baghouses, nitrogen oxide control system, mercury control system and continuous emissions monitoring system.
- The EFW system is comprised of two 264 ton-per-day waterfall furnaces with Martin reverse-reciprocating grates and ash handling system.
- Designated a Voluntary Protection Program Star Facility by the U.S. Occupational Safety and Health Administration (OSHA) for workplace safety.

MATERIALS NOT ACCEPTED

DO NOT PLACE HYPODERMIC NEEDLES, HOSPITAL TYPE MEDICAL WASTE, PAINT, OIL, LAWN OR POOL CHEMICALS, MOTOR OIL, OR TIRES IN YOUR HOUSEHOLD GARBAGE.

Amnesty days at designated locations are held several times a year. Contact District Customer Service at (352) 753-4508 for scheduled times and locations.

QUESTIONS?

Contact the District Finance Customer Service Department at (352) 750-0000 for collection and billing information. For an escorted tour of the Covanta Facility, please call (352) 365-1611. Proper attire is required.

As Florida moves to Phase 3, we would like to remind that the CDC Guidelines for all states recommend that you wear masks in public settings around people who don't live in your household and when you can't stay 6 feet away from others. Masks help stop the spread of COVID-19 to others.

- ◇ Wear masks with two or more layers to stop the spread of COVID-19
- ◇ Wear the mask over your nose and mouth and secure it under your chin
- ◇ Masks should be worn by people two years and older
- ◇ Masks should not be worn by children younger than two, people who have trouble breathing, or people who cannot remove the mask without assistance
- ◇ Do not wear masks intended for healthcare workers, for example, N95 respirators
- ◇ CDC does not recommend the use of gaiters or face shields. Evaluation of these face covers is on-going but effectiveness is unknown at this time.

Wear a mask **correctly** and **consistently** for the best protection.

- ◇ Be sure to wash your hands before putting on a mask
- ◇ Do NOT touch the mask when wearing it

Do wear a mask that:

- ◇ Covers your nose and mouth and secure it under your chin
- ◇ Fits snugly against the sides of your face

Don't Forget!

Masks should be washed regularly. Always remove masks correctly and wash your hands after handling or touching a used mask.

- Include your mask with your regular laundry, regular laundry detergent, and the warmest appropriate water setting for the cloth. Use the Highest setting and leave in dryer until completely dry.

Wash your hands often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

Avoid close contact

Inside your home: Avoid close contact with people who are sick.

- If possible, maintain 6 feet between the person who is sick and other household members.

Outside your home: Put 6 feet of distance between yourself and people who don't live in your household.

- Remember that some people without symptoms may be able to spread virus.
- Stay at least 6 feet (about 2 arms' length) from other people.

Cover your mouth and nose with a mask when around others

- You could spread COVID-19 to others even if you do not feel sick.
- The mask is meant to protect other people in case you are infected.

Cover coughs and sneezes

- Always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow and do not spit.
- Throw tissue into trash and Immediately wash your hands with soap and water for at least 20 seconds.

Clean and disinfect

- Clean and disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.

Also!! Protect Your Health This Flu Season

It's likely that flu viruses and the virus that causes COVID-19 will both spread this fall and winter. Healthcare systems could be overwhelmed treating both patients with flu and patients with COVID-19. This means getting a flu vaccine during 2020-2021 is more important than ever. While getting a flu vaccine will not protect against COVID-19 there are many important benefits, such as:

- ⇒ Flu vaccines have been shown to reduce the risk of flu illness, hospitalization, and death.
- ⇒ Getting a flu vaccine can also save healthcare resources for the care of patients with COVID-19.
