AGENDA REQUEST

TO: Board of Supervisors

Village Center Community Development District

FROM: Brandy L. Cook, Budget Director

DATE: 9/4/2022

SUBJECT: Adoption of Resolution 2022-22: FY2022-23 Final Budget

ISSUE:

Adoption of Resolution 2022-22 to approve the Fiscal Year 2022-23 Final Budget.

ANALYSIS/INFORMATION:

The District Manager prepared and submitted the Fiscal Year 2022-23 Proposed Budget to the Board of Supervisors at the June 8, 2022 meeting. The Board of Supervisors approved the Fiscal Year 2022-23 Proposed Budget at the June 8, 2022 meeting and adopted Resolution 2022-19 setting a public hearing for September 7, 2022 to approve the Fiscal Year 2022-23 Final Budget.

The Proposed Budget was submitted to the local governing authorities for a period of 60 days prior to adoption for public review and comment. The Proposed Budget was also made available at the Village Center District Administration office and on the District's website.

During the Fiscal Year 2022-23 Budget preparation process, the Amenity Authority Committee reviewed and discussed the Recreation Amenities Division Fund budget during the March preliminary budget workshop and its May and June regular meetings. The Committee also reviewed the Five-Year Capital Improvement Plan for the Recreation Amenities Division Fund. With the adoption of the Fiscal Year 2022-23 Budget, the Five-Year Capital Improvement Plan for Fiscal Years 2022-23 through 2026-27 will be considered as approved also.

During their September 7, 2022 meeting the Amenity Authority Committee recommended to the Village Center Community Development District Board of Supervisors approval of the Final Budget for the Recreation Amenities Division Fund.

Section 190.021 of Florida Statutes provides that a Maintenance Special Assessment and Benefit Special Assessment may be assessed upon each piece of property within the boundaries of the District benefited by the approved maintenance and capital improvement program of the District. For the fund budgets that include maintenance assessment revenues, the maintenance assessments shall be levied at the rates according to the schedules attached as exhibits to this Resolution and the assessments are based on square footage.

Staff continued to work on the attached budget over the past few months to update amounts including the final cost allocations. The Final Budget appropriations with adjustments from the Proposed Budget, that was approved in June, are highlighted within the packet.

STAFF RECOMMENDATION:
