## The Villages® Community Development Districts Community Standards

### Can signs be attached to light poles or stop signs?

Due to recent increases in items attached to street signs, stop signs and light poles, the District would like to remind residents that balloons, ribbons, yard sale signs or any other materials attached to street signs can cause damage and are not permitted. In addition, signs are not permitted on District property, including right of way areas, in cul-de-sacs or in roundabouts to ensure the safety of all motorists, pedestrians and property. Signage can cause distractions to motorists, as well as cause line of sight problems.

## COMMUNITY WATCH PROGRAMS

### **House Checks**

If you will be away from your home in The Villages for seven days or more, you can arrange for Community Watch to periodically check the perimeter of your home to make sure everything is as it should be.

### **Adult Watch**

Residents of The Villages can get a sense of reassurance by signing up for the Community Watch Adult Watch Program. Participating residents will receive phone calls from Community Watch at designated times during the week to check on their well-being.

### **Resident Out Of Area**

If you will be away from your home in The Villages for seven days or more, you can arrange for Community Watch to notify you if there is a significant event that damages your home.

## **Program Sign-up**

To register for these programs, please visit one of the District Customer Service Centers located at 984 Old Mill Run in Lake Sumter Landing or 4856 South Morse Boulevard just south of SR44. For assistance, please call 352-753-4508. Office hours are Monday - Friday from 8AM to 5PM.

## **COMMUNITY WATCH SERVICES**

### **Gate Operations Center & Camera Monitoring**

All gates are equipped with cameras and Digital Video Recording devices. From the Gate Operations Center, Community Watch continually monitors and records all the vehicles entering and exiting the gates. Staff can also control the gates from this center and assist residents and visitors entering our community seven days a week, 24-hours a day.

### **Dispatch Center**

Community Watch staffs a Dispatch Center 24-hours a day, seven days a week, in an effort to ensure residents of The Villages that they always have a person to contact when there are questions.

### **Neighborhood Patrols**

Community Watch conducts Neighborhood Patrols throughout The Villages. Our courteous drivers monitor activity by patrolling designated areas and facilities in the community. The drivers patrol your residential street at least twice in a 24-hour period.

### **Controlled Access Gates**

Community Watch currently monitors over 110 gated areas throughout the community. Please observe traffic signs and drive slowly when entering and exiting gates. Gate attendants are positioned at key access points to neighborhoods in The Villages, and serve as security, public safety and customer service check points. Please follow their directions.

### **Additional Services**

Community Watch provides additional services to the Community Standards Department, District Property Management, District Utilities and nine different Law Enforcement agencies.

## The Villages® Community Development Districts Customer Service

### **I lost my Villages ID. How do I get a new one?**

There are two locations to choose from: 984 Old Mill Run in Lake Sumter Landing or 4856 South Morse Boulevard just south of SR 44. There are two options to replace your ID. You can receive a free temporary 30 Day ID which will give you an opportunity to find your original ID. If you prefer not to get a temporary card, we can replace your ID with a new permanent card. Lost, stolen, or damaged Villages Resident ID cards will be replaced for a \$15.00 charge. A new resident ID number will be issued and a new photo will be taken each time a new ID is issued.

### **How do I replace my gate cards?**

Stop by one of our Customer Service locations and bring any remaining gate cards you still have issued to your home, as they are issued in sets of two. We will deactivate the missing card(s). If the missing card is part of a set, the set will be deactivated. We will issue you a new single card or a set of cards. It will cost \$15.00 to replace the missing card.

### **District Property Management Tunnel Painting Project Update and Scheduled Closures — Updated 12/20/2022**

District Property Management (DPM) has been working to complete The Villages Tunnel Painting Project with the intent of enhancing the community and providing safer means of transportation for residents and guests. This project was conceived and developed by the District Property Management Infrastructure Division to improve the safety and overall navigability of our 100+ miles of multi-modal paths, 61 tunnels and 21 bridges. The specialty epoxy paint being utilized significantly improves visibility of the tunnels by emitting brighter lighting during the daytime hours and increasing illumination during nighttime hours. The epoxy paint also has outstanding durability and is highly resistant to staining and weathering.

Resident feedback on the tunnels that have been completed so far has been very positive — the tunnels are brighter, safer and look much better overall.

## Information Provided By...

### **District Property Management Tunnel Painting Project Update and Scheduled Closures — Updated 12/20/2022**

In December, DPM completed tunnels M5, M6 and M10 and has five remaining tunnels to complete. In January 2023, DPM will continue work on this project with overnight tunnel painting and closures based on the schedule below.

This schedule is subject to changes due to unforeseen circumstances, including weather. Each tunnel will be closed for approximately 12 hours to allow for paint application and adequate drying time. The contractor will provide signage and re-direct golf car traffic around the tunnel to alternate routes if available.

#### **Tunnel Closure Dates and Locations:**

<b>Tunnel</b>	<b>Closure Date</b>
M7 (Under Morse Blvd at Odell Circle North)	Monday, January 2, 2023 at 5 PM
M9 (Under Morse Blvd at Odell Circle South)	Tuesday, January 3, 2023 at 5 PM
MB1 (Under Marsh Bend Trail at Everglades Recreation)	Wednesday, January 4, 2023 at 5 PM
WS2 (Under Warm Springs Ave at Marsh Bend Trail)	Thursday, January 5, 2023 at 5 PM
CR1 (Under CR 501 at Corbin Trail)	Friday, January 6, 2023 at 5 PM

Additionally, District Property Management is commencing with installation of 120-volt Light Emitting Diode (LED) lighting in the multi-modal path tunnels. This Energy Star rated project will provide a higher level of safety and comfort for The Villages residents traveling along the multi-modal paths with significantly enhanced illumination within the tunnels. LED lighting produces light up to 90% more efficiently and lasts up to 25 times longer than incandescent light bulbs.

For more information, contact District Property Management at 352-753-4022.

## The Villages® Community Development Districts Clerk

Did you know that the public can now easily access entire audio recordings from District Board Meetings, Amenity Authority Committee (AAC) Meetings and Project Wide Advisory Committee (PWAC) Meetings?

In November 2022, the District upgraded its electronic agenda software, which provided the District with the ability to upload the audio recordings of the meetings.

To access the audio recordings, visit DistrictGov.org and select the District or Committee you would like to listen to under the “Your District” or “Committees” drop-down menus. From here, select “Agendas and Minutes” from the Quick Links menu on the left-hand side of the page. You will see a calendar function where you can select the meeting date and access the recording by clicking on the media icon (which resembles a movie camera). Please ensure that your speaker is turned on.

If you have any questions or need additional assistance, please contact the District Clerk's Office at 352-751-3939.

# Vial Of Life – Medical Information Form

*Information Provided by VialofLife.com*

---

The "Vial of Life" program is designed to provide needed information to emergency personnel in situations where you are unable to do so. The information in the Vial should include medical history, medications and dosage, doctor's name, emergency contact numbers, hospital preference, and other information.

The container is located in your refrigerator within your house. This location is used as it is a common appliance in all homes and the contents of a refrigerator remain undamaged during a fire. Law enforcement, Fire Departments and Emergency Personnel are trained to look for the "Vial of Life" in your refrigerator.

You may view the Vial of Life form using the following link – [Vial of Life form.](#)

Complete one form for each member in your household. Try to provide as much detailed information as possible on the medical history and medications. **Use the back of the form if extra space is needed.** Place the forms in the Vial and place it on the **TOP SHELF** of your refrigerator. Remember to update the information on your forms when your medications or health changes.

For more information on the Vial of Life program, please visit [Vialoflife.com](http://Vialoflife.com).

### **Villa Road Underdrain Construction Information - 12/8/2022**

Underdrains are being installed underneath roadways at Soulliere, Atwood, Belle Glade, and Callahan Villas for the purpose of extending the lifetime of the road pavement. The underdrains will serve to move moisture from underneath the road base and route water into the existing stormwater drainage system. The installation process involves saw-cutting a 2-foot-wide trench down the center of the roadway. Existing material will be removed for installation of filter fabric and 3 inches of #57 limerock gravel, which will be placed in the trench. The underdrain pipe will be installed in the trench and encased with #57 limerock and filter fabric. The road base will be replaced up to the grade of the existing asphalt. The trench can then be safely driven on until the road is repaved.

Ciraco Underground will begin construction at the following locations during the dates indicated:

#### **Soulliere Villas**

- SE 169th Cole Loop: 1/3 – 1/9
- SE 74th Soulliere Ave (from Cole Loop to Gage Street): 1/10 – 1/11

### **Villa Road Underdrain Construction Information - 12/8/2022**

Milling and resurfacing will be performed in the same sequence as the underdrain installation. Dates may be adjusted due to unforeseen circumstances such as inclement weather or asphalt material shortage. Everything possible will be done to minimize your inconvenience.

Please do NOT run your irrigation or wash your vehicle while construction is performed on your roadway as it will increase the work time. Newly paved roadways will take approximately one hour to cure and should NOT be driven on while hot. Driving before this time could result in tracking asphalt onto your driveway and damaging the new roadway.

For the safety of our crews and all residents, we ask that you reschedule any work or deliveries to your residence until the underdrain installation (or the paving to follow after underdrain installation) is complete, as they may be denied access. Only residents and emergency vehicles will have immediate access during the construction. All vehicles and trailers must be parked off of the roads and the overflow parking areas must be empty, as to not impede the work. When traveling through the construction, please drive slowly and watch for and listen to directions provided by the construction workers.

Please be aware that in some cases, residents have installed decorative curbing, pavers, landscape, and other features within the District road right-of-way area or decorative curbing over the top of the asphalt. While our contractor is diligent in performing operations and will take all precautions to protect your property, these improvements which are in the road right-of-way areas or encroaching into the street are subject to damage or destruction without compensation to the resident. Residents may wish to remove items from the road right-of-way areas in advance of repaving to mitigate the potential for damage. The District will not make repairs, restoration or restitution for items within the road right-of-way that are inadvertently damaged during construction.

Our goal is to give you a new road that will last a maximum lifespan, with the least amount of inconvenience. Your cooperation is greatly appreciated. For additional information, please contact District Property Management at 352-753-4022.
