

A golfer in a light blue shirt and grey shorts is captured in mid-swing on a golf course. The golfer is positioned in the lower center of the frame, leaning forward with a golf club. The background features a dense line of trees with varying shades of green and brown, suggesting a natural, wooded setting. The foreground shows a grassy slope. The overall scene is bright and clear, indicating a sunny day.

Regular hours will resume on Tuesday, May 30, 2023.

Sanitation Holiday Information

Village Community Development Districts 1-11

If you live in Village Community Development Districts 1-11 in the Sumter County, Marion County or Fruitland Park portions of The Villages, there will be normal residential sanitation collection on Monday, May 29, 2023.

Village Community Development District No. 12

If you live in District 12, there will be normal residential sanitation collection on Tuesday, May 30, 2023.

Village Community Development District No. 13

If you live in District 13, there will be no residential sanitation collection on Monday, May 29, 2023. Sanitation collection will be on Thursday, June 1, 2023.

If you live in the Town of Lady portion of The Villages, there will be no residential sanitation collection on Monday, May 29, 2023. Sanitation collection will be on Thursday, June 1, 2023.

If you live in the Lake County portion of The Villages (not including VCDD No. 11), there will be no sanitation collection on Monday, May 29, 2023.

Sanitation collection will be on Tuesday, May 30, 2023. All collection days for the week will be moved to the next day.

16th Annual Hurricane Expo

Event Recap

On May 5, 2023, The Villages Public Safety Department hosted the 16th Annual Hurricane Expo! Over 1,500 attendees came out to learn vital information on severe weather and how to prepare before, during and after a storm.

This event aims to educate the public on the importance of planning and preparation and connects residents with the right resources and emergency service providers to know if disaster strikes. Guests received information on disaster supply kits, special needs registration, handling health issues during a severe

weather event, what to do if you have damage to your home and more at the 16th Annual Hurricane Expo. Many weather radios were programmed to provide information on severe weather preparation and handouts, promotional items and giveaways were available to all. Participating vendors had a great time interacting with and educating the public and attendees showed their generosity by bringing food donations for local food banks.

The next Hurricane Expo will be on May 3, 2024 – mark your calendars and stay tuned for more information!

Budgeting For Successful Operations

– Joella LeDonne, *Senior Finance Manager for District Property Management*

District Property Management (DPM) is responsible for maintaining all District Assets. When budget time comes around, it's a big deal. DPM completed the proposed Budget for Fiscal Year 23-24 and it is currently being reviewed. There are several maintenance projects included in the budget involving facilities that are seen and enjoyed by thousands of residents and guests every day. These projects include pool renovations, exterior painting of Recreation Centers, sport court resurfacing, all landscaping, mill and overlay of roadways and fence replacements to name a few. This is in addition to the regular day-to-day maintenance work that DPM performs.

Preparing the new budget requires us to use the District's Core Values of Stewardship and Hard Work. In an ever-changing world, the District is faced with challenges on a daily basis such as limited contractors, weather constraints, material shortages and additional monetary surcharges. District Property Management understands and manages each project to lessen these impacts and continue to maintain the lifestyle that every resident of The Villages has come to love and enjoy.

Each Division within DPM — Landscaping, Infrastructure, Water Resources, Town Centers, Construction, Facilities and

Special Projects, reviews their current and upcoming projects to determine if they can be completed in the current Fiscal Year. If a project cannot be completed within that Fiscal Year, it will be re-budgeted for the following Fiscal Year. DPM tracks each project until its completion, but even with the best planning, not everything always goes as projected. DPM staff has to be very reactive to adapt to sudden changes.

Through our continuous dedication and hard work, District Property Management strives to preserve the District's assets and maintain the high standard of living our residents have come to enjoy.

The Villages®

Community Development Districts Recreation & Parks

Recreation Center Emergency Address Information

Our dedicated staff is here to help you get the most out of your unique Villages lifestyle. When enjoying your choice of activities, we ask you to remember that participating in recreational activities always involves some degree of risk. Participants assume full responsibility for and risk of bodily injury arising out of or in any way connected with participation or involvement in or presence at the activity or program.

To assist you in emergencies, the Recreation & Parks Department has placed bulletin boards at all outdoor recreation

areas with important 911 information including the address, county and number you're calling from. Emergency 911 phones are located at all equipment buildings and pools with pertinent emergency information. We encourage all residents to become familiar with the 911 information at their recreation centers or pools and to locate these helpful areas when visiting. For more information, see the following page.

EMERGENCY SERVICES & Courtesy Phones

AT RECREATION FACILITIES

Our dedicated staff is here to help you stay safe and get the most out of your unique Villages lifestyle.

IN AN EMERGENCY DIAL 911

- All outside recreation areas are provided with a bulletin board that contains important 911 information.
- The information will assist you in providing First Responders with the following:
 - **Address** of your location
 - **County** of your location
 - **Phone Number** of your location
- Emergency 911 phones are also located at all equipment buildings and pools with important emergency information.
- When visiting any recreation center or swimming pool, please take a moment to locate this important 911 information and the location of 911 emergency phones.

COURTESY PHONES

- Courtesy phones are available for use by residents and guests in case of an emergency or to reach a Recreation team member.
- Courtesy phones are available at all pools and equipment sheds.
- The facility name and address are posted on the wall by the courtesy phone.
- For non-emergency matters you can call Community Watch at 352-753-0550.

Did You Know?

Flagpole Guidelines

Did you know there are flagpole guidelines when installing a pole on your property? The flagpole guidelines within the community are as follows:

- Displaying a portable flag mounted on a home does not require architectural approval.
- A flagpole requires prior written approval by the Architectural Review Committee to confirm it is not being installed within any easement area and does not exceed twenty-two (22) feet in height.

Flagpole Installation requires prior Architectural Review Committee approval.

A portable flag mounted on the home does not require prior Architectural Review Committee approval.

If you have any questions or would like more information, you may contact the Community Standards Department by email at Archreview@districtgov.org or by phone at 352-751-3912.

FREQUENTLY ASKED QUESTIONS

How Do I Travel Around A Roundabout?

In cooperation with the Sumter County Sheriff's Office, the Sumter County Board of County Commissioners developed a guide to navigating roundabouts.

To learn the proper guidelines for navigating roundabouts in Sumter County, see the brochure below and on the following page.

Remember:

To avoid conflict, do not use the right-hand lane to make a left turn through the roundabout.

Approaching Roundabouts

- Reduce your speed and prepare to YIELD to all traffic in the roundabout.
- Guide signs provide guidance for approach street locations, not lane use orientation.

Choose your lane:

Approaching a two lane roundabout, make a lane choice according to the following rules:

- If you intend to exit the roundabout more than halfway around, use the LEFT-HAND lane.
- If you intend to exit the roundabout less than halfway around, use the RIGHT-HAND lane.
- If you intend to continue straight through, use either lane unless signs or markings indicate otherwise.

Navigating Roundabouts

- Move up to the entrance line and wait for a gap in traffic. DO NOT ENTER next to a vehicle in the roundabout, as that vehicle may be exiting at the next exit.
- Within the roundabout, do not stop except to avoid a collision; you have the right-of-way over entering traffic. Keep moving in a counterclockwise direction.
- Do not change lanes in a roundabout.
- A striped channelization island is present in several roundabouts, which reduces the circulatory roadway to one lane approaching a single-lane exit.

Best Practices:

- Do not change lanes within the roundabout or as you exit
- Do not overtake other vehicles or bicyclists within the roundabout
- Be aware of other vehicles in the roundabout
- Follow pavement striping and arrows for guidance - exit roundabouts with caution
- YIELD to emergency vehicles before or after the roundabout - DO NOT STOP in the roundabout
- Give oversized vehicles extra room because they may need both lanes to maneuver
- Indicate your exit using your right-turn signal

For additional information, please refer to FHWA's *Roundabouts: An Informational Guide* at www.fhwa.gov/safety/00068.htm

A Guide to Navigating
Roundabouts
in Sumter County, Florida

What is a Roundabout?

A roundabout is a circular intersection where vehicles yield at entry to traffic already within the circulatory roadway and all vehicles flow in a counter-clockwise direction around a central island.

Sumter County
Board of County Commissioners

FREQUENTLY ASKED QUESTIONS

Driving Roundabouts

Turning Right

Going Straight Ahead

Turning Left or Making a U-Turn

- 1. APPROACHING:** Be in the right-hand lane unless otherwise marked on the roadway, and use a right-turn signal.
- 2. CIRCULATING:** Keep to the right-hand (outside) lane of the roundabout and continue to use your right-turn signal through your exit. **Do not change lanes.**
- 3. EXITING:** Stay in the right-hand lane as you exit the roundabout.

- 1. APPROACHING:** You can be in either lane, unless otherwise marked on roadway or posted.
- 2. CIRCULATING:** Stay to the inside of the circulatory roadway if you entered from the left-hand approach lane, or stay to the outside if you entered from the right-hand approach lane. **Do not change lanes.**
- When you have passed the last exit before the one you want, use your right-turn signal and continue to use it through your exit.
- 4. EXITING:** As you exit the roundabout, be aware of vehicles traveling on the outside of the circulatory roadway that may continue to circulate around the roundabout.

- 1. APPROACHING:** Be in the left-hand lane unless otherwise marked on the roadway, and use a left-turn signal.
- 2. CIRCULATING:** Stay in the left-hand lane of the circulatory roadway until you are ready to exit.
- When you have passed the last exit before the one you want, use your right-turn signal and continue to use it through your exit. **Do not change lanes.**
- 4. EXITING:** As you exit the roundabout, be aware of vehicles traveling on the outside of the circulatory roadway that may continue to circulate around the roundabout.

Current Course Closures

AS OF 5-11-2023

Pelican Executive Golf Course

In our efforts to keep the Executive Golf Courses in optimal condition, the Pelican Executive Golf Course will be closed for rest and rehabilitation for the next several weeks.

Palmetto Executive Golf Course

In our efforts to keep the Executive Golf Courses in optimal condition, the Palmetto Executive Golf Course will be closed for necessary maintenance work Friday, March 24, 2023 through Friday, May 26, 2023. This gives the maintenance team time to execute cultural practices on the greens and tees and to work on eradicating disturbing winter weeds like *Poa annua* grass.

Bonita Pass Executive Golf Course

The Bonita Pass Executive Golf Course will be closed for infrastructure improvements Monday, May 1, 2023 through Sunday, May 14, 2023. Renovations taking place include timber bridge enhancements and restroom floor repair.

Hill Top Executive Golf Course

Following Committee approval, the Hill Top Executive Golf Course will be closed for renovation until further notice. Renovations to the course will include new greens, tees and fairways as well as bunker, landscaping and cart path enhancements.

Briarwood Executive Golf Course

Following Committee approval, the Briarwood Executive Golf Course will be closed for renovation until further notice. Renovations to the course will include new greens, tees and fairways as well as bunker, landscaping and cart path enhancements.

Belmont Executive Golf Course

Following Committee approval, the Belmont Executive Golf Course will be closed for renovation until further notice. Renovations to the course will include new greens, tees and fairways as well as bunker, landscaping and cart path enhancements.

Churchill Greens Executive Golf Course

Following Committee approval, the Churchill Greens Executive Golf Course will be closed for renovation until further notice. Renovations to the course will include new greens, tees and fairways as well as bunker, landscaping and cart path enhancements.

We thank you for your patience as we work to maintain our Executive Golf Courses to the highest standards. For more information, please contact Executive Golf Maintenance by email at ExecutiveGolfMaintenance@districtgov.org or by phone at 352-674-1885.

HOW TO

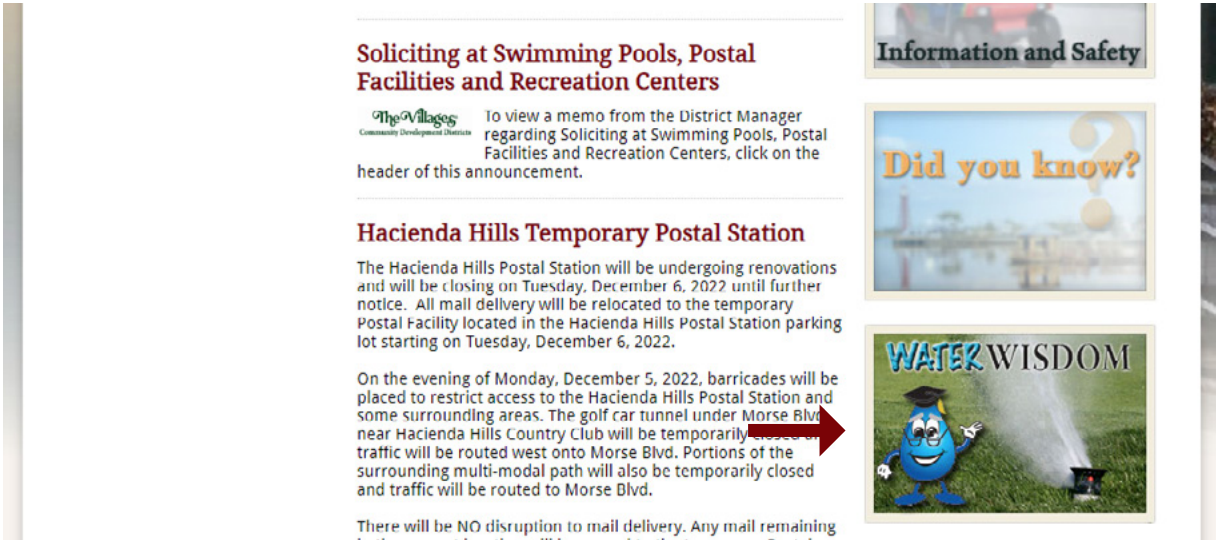

Where can I find information on water conservation?

We offer an informative website that shows how much water usage is too much at home, videos for help with irrigation timers, water quality reports, landscaping workshops and more. Follow these steps to view this helpful resource.

- 1 Go to DistrictGov.org.

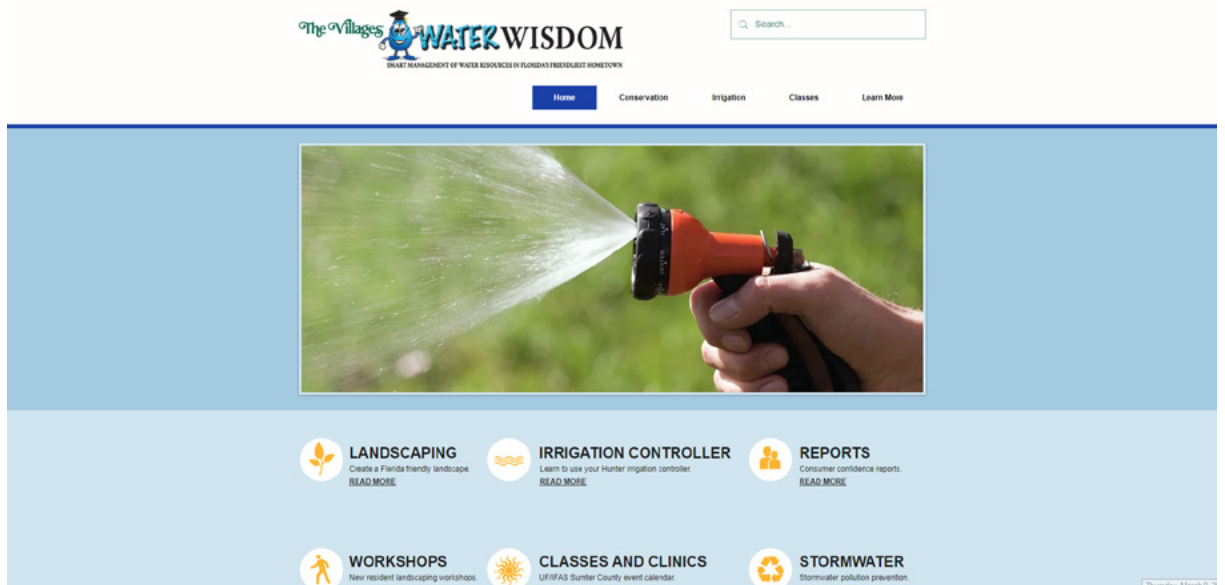

- 2 Scroll down and click on the 'Water Wisdom' Quick Link on the right-hand side of the page.

Where can I find information on water conservation?

3 This will take you to the Water Wisdom website where you'll find helpful tips for indoor and outdoor water conservation.

4 You can also learn more about why your water bill might be high and how to check for leaks.

Budget Workshops & Budget Reviews

5/8/23 - 5/19/23

As we continue with our Fiscal Year 2023-24 (FY 23-24) Budget Process, several Budget Reviews and Budget Workshops will be conducted in the month of May.

These Reviews and Workshops will include an in-depth review of the line-item budget, maintenance assessment rate schedule, working capital & reserve balances and capital improvement plan updates with Board Supervisors and Committee Members. These

Budget Reviews and Workshops provide an opportunity to discuss requested topics/general issues, gather input from the public and provide direction to staff before the budget is finalized.

You may view the meeting's agenda the week prior to each meeting. All meetings are public and residents are encouraged to provide input.

Remaining Budget Workshops and Budget Reviews In May:

District 11.....10 AM
District 9.....1:30 PM
District 10.....3 PM

MAY 19 | SeaBreeze Recreation

District 5.....8 AM
District 6.....9:30 AM
District 8.....11 AM

WATER SYSTEM MAINTENANCE

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA), North Sumter Utilities (NSU), Central Sumter Utilities (CSU) and South Sumter Utilities (SSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE. AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT **ALL WATER USED FOR DRINKING, MAKING ICE, AND COOKING BE BOILED, FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE.** A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED. THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK. THIS USUALLY CONSISTS OF A TWO-DAY SAMPLING PERIOD TO INSURE SAFE DRINKING WATER. IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT 352-259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District infrastructure.

A tentative schedule of the areas impacted in the upcoming week:

5/16/2023	VCSA	1000-1120, 1001-1117 San Antonio Lane
		1193, 1200, 1203 Morse Blvd
5/17/2023	VCSA	1193, 1200, 1203 Morse Blvd

IRRIGATION SYSTEM FLUSHING: DISTRICTS 5-8

Beginning in April 2023, our Utilities Operations and Maintenance contractor (Jacobs), will begin flushing the Villages Water Conservation Authority (VWCA) irrigation system located in Districts 5-8. Flushing prevents the accumulation of small particles and build-up, which can lead to plugging issues in our irrigation system. Due to the size of the VWCA system, the area has been divided into 90 distinct flushing zones. Once started, this project will take approximately 50 weeks to work through all 90 zones.

As the flushing takes place, you will see the Jacobs team opening fire hydrants and flushing irrigation lines only into the roadway. Work hours will be from 8 am to 5 pm. Information will be updated regularly on the District's website on when you can expect to see the Jacobs team in action in your area. Please check out What's Happening and the Weekly Bulletin for updates at DistrictGov.org.

This maintenance work will not have any effects on your drinking water quality nor pressure. This is a proactive effort to maintain your irrigation system.

The safety of residents and contractor personnel is of the utmost importance. We are requesting everyone to abide by all barricades and warning signs and to avoid the active work area for anything other than access to your property.

Thank you for your cooperation and patience as we improve our irrigation system. If you have any questions or would like additional information, please contact District Utilities at 352-753-4022.

See below for schedule and map. Please note that schedule and zone are tentative based on operational conditions encountered.

[Click Here To View a Map of the Flushing Zones](#)

A tentative schedule of the areas impacted in the upcoming week:

Zone Flushed	Duration	Start	Finish
8	2 days	Friday 5/12/23	Monday 5/15/23
16	2 days	Tuesday 5/16/23	Wednesday 5/17/23
5	2 days	Thursday 5/18/23	Friday 5/19/23

MILL AND OVERLAY ROAD WORK SCHEDULE

UPDATED 4/28/2023

CW Roberts will begin Mill and Overlay Road Work in the following areas based on the schedule below:

**This schedule may be adjusted due to unforeseen circumstances, including weather.*

District 7

- Seneca Villas: 5/26/23 – 5/29/23
- Sandhill Villas: 5/29/23 – 5/30/23
- Mariel Villas: 5/30/23 – 5/31/23

For the safety and quality assurance of residents, guests and workers, please adhere to the following requests:

- Reschedule any work or deliveries to your Villa until the paving is complete as they may be denied access. Only residents and emergency vehicles will have immediate access during the construction.
- PLEASE DO NOT run your irrigation, wash your vehicle or empty your pool during the week, as it will increase the work time.
- ALL vehicles and trailers must be parked OFF of the roads and the overflow parking areas must be empty, so as to not impede the work.
- Please be advised that newly paved roadways will take approximately one hour to cure and should not be driven on while hot! Driving before this time could result in tracking asphalt onto your driveway and damaging the new roadway.
- If you must travel through the construction, PLEASE drive slowly and watch for and listen to directions provided by the contract workers.

Our goal is to give you a new road that will endure its maximum life with the least amount of inconvenience. Your cooperation is greatly appreciated. If you have any questions during the work, there will be someone on sight to help. For the safety of our crews and all residents, we ask that you reschedule any work or deliveries to your Villa until the paving is complete as they may be denied access. Only residents and emergency vehicles will have immediate access during the construction.

For additional information, please call District Property Management at 352-753-4022.

Wildwood Utility System Maintenance to Begin Sunday

Temporary Water Discoloration Possible

Wildwood officials are advising residents that state-mandated maintenance on the city's water system may result in intermittent elevated iron levels over the coming week.

According to City Manager Jason McHugh, the water tower on Huey Street will be taken offline temporarily, starting Sunday, May 14, 2023, for routine cleaning and inspection required by the Florida Department of Environmental Protection. Water from other sources in the city's system will be directed to that area, beginning Friday, so customers will not experience a service interruption.

Changes in water velocity, turbidity, and/or directional flow in sections of the line are likely to dislodge accumulated rust in older pipes, and some intermittent discoloration may result, particularly in the downtown, central, and west-side distribution areas.

Maintenance work is scheduled over five days, with the Huey Street tower projected to be back in operation by the end of next week, barring extenuating circumstances.

The city is systematically replacing older galvanized steel lines with polyethylene pipes that do not rust in an ongoing, multi-year project that is expected to reduce the occurrence of discolored water. Older properties in areas served by new mains may still experience rusty water, however, from other sections of the system or if the original residential pipes into the house from the city's connection at the street have not been replaced by homeowners.

"We are doing everything within our power to minimize any inconvenience to customers," said Assistant Utility Director Jason Martin. "Our crews will be working diligently to complete this maintenance as quickly as possible while ensuring our system meets every regulatory requirement and provides a safe, secure, and dependable supply of potable water."

Residents who experience discolored water should call the Utility Department customer service office at 352-330-1336 between 7:30 a.m. and 5:00 p.m. (352-330-1355 after hours) to report the issue.

LEARN ABOUT YOUR DISTRICT GOVERNMENT

CDD ORIENTATION

CDD Orientation is an informational program that provides you with an introduction to your special-purpose District government. During this course, you will learn about how the Districts operate and what functions and services they provide to you.

No sign-ups or fees are required. This program is held on the 2nd and 4th Thursday of the month at 10:00 AM at the District Office located at 984 Old Mill Run.
