Wireless Access Overview for Resident Lifestyle Volunteer Groups & Rentals

The Recreation & Parks Department offers limited wireless access to devices. Customers may access the wireless service available at all recreation centers with the exception of Southside and the neighborhood centers. The use of any application of this service is for limited WiFi capability, and to assist our residents within the lobby areas, with limited service in the recreation centers. Eligible guests may access the wireless internet if the resident is present. A resident will need a wireless laptop, a Villages ID Card and their golf PIN number in order to access the wireless service. For questions or assistance, contact the recreation center staff or go to DistrictGov.org.

Online Registration Available for most Recreation & Parks Activities

Be prepared for future Recreation & Parks lifestyle opportunities. Many Recreation & Parks sponsored events are available online. You may set up an account at any time using these steps:

- Go to Districtgov.org > click on Departments: Recreation > 'Click

Here to Register Now' button on the right side of the screen.

- You will be redirected to our registration home page. In the upper right-hand corner, there is a Create Account or Log In button.
- To create an account, fill out the form and click submit. To log in, type in the email address and password used to sign up. If you've forgotten your password, type in the email address and then click the forgot password feature to email a reset.

If you have issues creating an account or logging in, please call Recreation Administration at 352-674-1800 Monday – Friday from 8 AM to 5 PM.

Scheduled Usage of Outdoor Courts

Resident groups wishing to use outdoor courts must complete an application for court time. These groups are organized by a resident who is the point of contact. Examples of groups include neighborhood, skill levels, and common interests. Applications for the Fall/Winter season (Oct 1, 2023 – March 31, 2024) will be accepted August 15th – 31st. Applications are available at any recreation center or at DistrictGov.org > Departments > Recreation > Sports Activities & Schedules.

Executive Golf Course Closures

Chula Vista Executive Golf Course

In our efforts to keep the Executive Golf Courses in optimal condition, the Chula Vista Executive Golf Course will be closed for rest and rehabilitation Monday, August 7, 2023 through Sunday, September 3, 2023. This schedule may be adjusted due to unforeseen circumstances, including weather. We apologize for the inconvenience. If you have any questions or need additional information, please contact the Executive Golf Maintenance Department at 352-674-1885.

Executive Golf Course Renovation Projects

We currently have four Executive Golf Courses undergoing comprehensive renovations as part of the approved Capital Improvement Projects:

- **Hill Top Executive Golf Course**
- **Briarwood Executive Golf Course**
- **Belmont Executive Golf Course**
- **Churchill Greens Executive Golf Course**

Renovations to the Hilltop, Briarwood, Belmont and Churchill Greens Executive Golf Courses include new greens, tees, fairways and bunkers. Landscape enhancements and cart path repairs will be incorporated as well to revitalize the courses and enhance the overall player experience.

You can find additional information on these course closures and more on our [Executive Golf Course Renovations](#) page. If you have any questions, please contact the Executive Golf Maintenance Department by email at ExecutiveGolfMaintenance@districtgov.org or by phone at 352-674-1885.

FREQUENTLY ASKED QUESTIONS

The wall behind my house is covered with mold. How do I get it cleaned?

Your declaration of restrictions stipulates who is responsible for maintaining the wall or fence on your property. You can download them from [DistrictGov.org](https://www.districtgov.org).

If you're still unclear, please contact District Property Management at 352-753-4022 for assistance.

What can I do if I notice the plants and flowers are dying at my gate entrance?

Each year District contractors replace millions of seasonal and ornamental plants throughout The Villages. Because of these quantities, all material is contract grown or acquired by reputable growers to ensure a consistent product. At times, some plants may decline prematurely. This can be caused by wet or dry conditions, temperature

changes, or simply outliving its intended lifespan. We are continuously monitoring all Districts and planning and scheduling these improvements. If you see an area in need of attention, please contact District Property Management at 352-753-4022.

Outdoor Water Conservation Tips

Tips on Saving Water Outdoors

It is important to remember not to irrigate just because it is your scheduled day. Irrigation systems should only be operated when the lawn begins to show signs of stress, some examples are:

- Lingering footprints or mower tracks
- Grass blades or leaf blades begin to close lengthwise
- The top inches of soil feel dry

The amount of irrigation varies depending on the time of year, rainfall and soil conditions.

Turn your irrigation timer off after rainfall events and let your lawn "tell" you when you need to turn the timer back on.

If a particular zone begins to show signs of stress, only set the irrigation system to irrigate the stressed zone, don't run the entire system.

Recommended Zone Run Times ^a

Irrigation Zone Type	Winter Dec-Feb		Spring & Summer March-Sept		Fall Oct-Nov	
	Run Time	Frequency	Run Time	Frequency	Run Time	Frequency
Plants	OFF	OFF	15 min	1/week	10 min	1/week
Turf by Rotors	30 min	1/week	40 min	1/week	30 min	1/week
Turf by Sprays	15min	1/week	25min	1/week	15min	1/week

Utilities

- Use a hose with an automatic shut-off nozzle to water flower beds and dry spots.
- Learn to operate your irrigation system properly and check your settings monthly to be sure that it is operating on the right day and time. Also, verify that no extra start times are turned on.
- Check rain sensors monthly to ensure they're not clogged.
- Follow Florida Friendly Landscaping Principles - visit FloridaYards.org.
- Cut your grass at the highest recommended height (4" for St. Augustine or Bahia, 2" for Empire Zoysia).
- Mow regularly, cutting no more than 1/3 of the grass length.
- Keep mower blades sharp. Dull blades tear grass, opening it to disease and causing grass to appear tan and ragged.

Jim Murphy

THE Q&A MEETING

Monday, August 7, 2023

7:00 PM - 9:00 PM

Mulberry Grove Recreation Center

Supervisor Jim Murphy will host the August Q&A Meeting. Jim was one of the first three residents to be elected to the Community Development District 4 Board of Supervisors when it transitioned from the Developer to the residents more than 20 years ago, and he has been re-elected to continue serving ever since. During that time, he has served as the Board's Chair, Vice Chair, and on various committees numerous times. More recently, he has also been representing the Board on The Villages Investment Advisory Committee for several years.

In order to improve communications, the Q&A Meetings are open to the public. This provides a forum where residents can ask questions, share concerns, offer suggestions, address rumors in an informal setting and it provides an opportunity for residents to discuss any topics they want.

There is no agenda, no restrictions on topics, no 3-minute speaking time limits, and follow-up questions can be asked. Because residents choose the topics, each meeting will be different.

Of course, District 4 issues will also be on the table, including but not limited to:

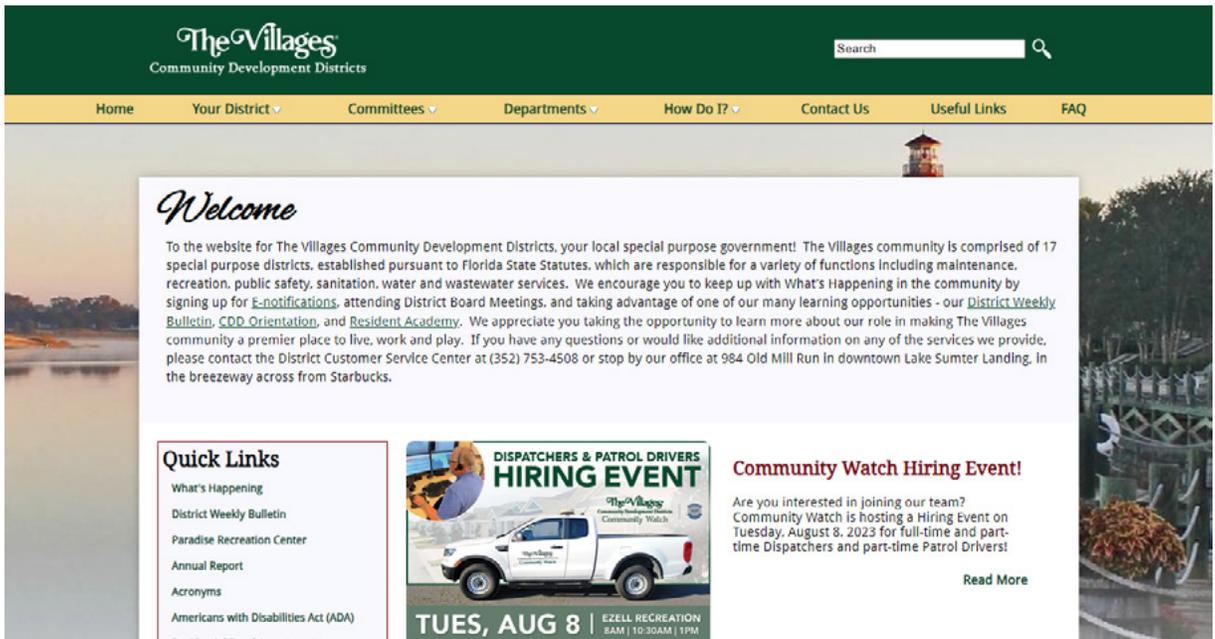

- 2023-24 District 4 Budget and Assessments
- Anonymity in reporting potential Deed Violations of Community Standards
- Abandoned homes
- Architectural Review Committee
- Any other District 4 Issues residents may want to ask about

For more information: Call District 4 Supervisor Don Deakin at 352-750-5395; or send an Email to: DRDeakin@aol.com or Don.Deakin@DistrictGov.org.

IRRIGATION SYSTEM FLUSHING: DISTRICTS 5-8

In April 2023, our Utilities Operations and Maintenance contractor (Jacobs) began flushing the Villages Water Conservation Authority (VWCA) irrigation system located in Districts 5-8. Flushing prevents the accumulation of small particles and build-up, which can lead to plugging issues in our irrigation system. Due to the size of the VWCA system, the area has been divided into 90 distinct flushing zones. Once started, this project will take approximately 50 weeks to work through all 90 zones.

As the flushing takes place, you will see the Jacobs team opening fire hydrants and flushing irrigation lines only into the roadway. Work hours will be from 8 am to 5 pm. Information will be updated regularly on the District's website on when you can expect to see the Jacobs team in action in your area. Please continue to check the Weekly Bulletin or the [What's Happening](#) page on [DistrictGov.org](#) for updates.

This maintenance work will not have any effects on your drinking water quality nor pressure. This is a proactive effort to maintain your irrigation system.

The safety of residents and contractor personnel is of the utmost importance. We are requesting everyone to abide by all barricades and warning signs and to avoid the active work area for anything other than access to your property.

Thank you for your cooperation and patience as we improve our irrigation system. If you have any questions or would like additional information, please contact District Utilities at 352-753-4022.

See below for the schedule and map. Please note that the schedule and zone are tentative based on operational conditions encountered.
