# Weekly Bulletin

**November 16, 2023**

**The Villages®**  
Community Development Districts

## Thanksgiving Holiday Information

The District Customer Service Centers and all District Administrative Offices will be closed on Thursday, November 23, 2023, and Friday, November 24, 2023 in observance of Thanksgiving. We will resume normal business hours on Monday, November 27, 2023. If you have any questions or would like additional information, please contact the District Customer Service Center at 352-753-4508.

## Golf Holiday Information

The Executive Golf Course Starter Shacks will close at 4 PM on Thursday, November 23, 2023 in observance of Thanksgiving. In addition, the Tee Time Office will be closed on Thursday, November 23, 2023, and Friday, November 24, 2023. Phone support will be available on Friday, November 24, 2023.

## Sanitation Collection Holiday Information

### **Districts 1-11**

If you live in Village Community Development Districts 1-11, there will be no sanitation collection on Thursday, November 23, 2023. Collection will be on Saturday, November 25, 2023.

### **District 12 and the Villages of DeLuna and Hammock at Fenney**

If you live in Village Community Development District 12 of the Village of DeLuna and Hammock at Fenney there will be no changes to the sanitation collection schedule.

### **District 13 (excluding Villages of DeLuna and Hammock at Fenney) and District 14**

If you live in Village Community District 13 (excluding Village of DeLuna and Hammock at Fenney) and District 14, there will be no sanitation collection on Thursday, November 23, 2023. Next collection will be on Monday, November 27, 2023

**If you live in the Lake County portion of The Villages** (not including District 11 or 14), Thursday collection will be moved to Friday, November 24, 2023 and Friday collection will be moved to Saturday, November 25, 2023.

**If you live in the Town of Lady Lake portion of The Villages**, there will be no sanitation collection on Thursday, November 23, 2023. Collection will be on Monday, November 27, 2023.

If you live in **Middleton Community Development District A**, there will be no sanitation schedule change due to the holiday.

# 2024 CDD Orientation Schedule

You are invited to attend our “Introduction to your Special Purpose Local Government” informational program. You will learn how the districts operate and learn other important community information about the people, services, and other supporting entities that help make The Villages a premier community.

No sign-ups or fees are required for this presentation. This valuable program has typically been held on the second and fourth Thursday of the month, but beginning in 2024, it will be **held on the first and third Tuesday of the month**. It is held at 10:00 AM at the District office located at 984 Old Mill Run in Lake Sumter Landing.

For additional information, please contact the District Customer Service Center at 352-753-4508.

---

## CDD Orientation Holiday Schedule

Due to the upcoming holidays, the CDD Orientation schedule for the holiday season has been adjusted. CDD Orientation on the following dates has been canceled:

- **Thursday, November 23, 2023**
- **Thursday, December 28, 2023**
- **Tuesday, January 2, 2024**

# Holiday Decoration Policy

If your Village plans on decorating the Gate House or Village/Villa Entry sign for any of the upcoming holidays, the District Boards have adopted a Holiday Decoration Policy. This excludes postal stations. Prior to installation, residents must submit a design to District Property Management at 1026 Canal Street, The Villages FL or email [PropertyManagement@districtgov.org](mailto:PropertyManagement@districtgov.org) and sign the Activity Release of Liability. [Click here to see the full Holiday Decoration Policy](#). You may also contact District Property Management at 352-753-4022 for additional information.

---

## Paradise Recreation Revitalization

The Paradise Recreation Renovation project is underway!

District Staff presented the Conceptual Design Plan Presentation to the Amenity Authority Committee during the November 2023 Meeting. To view the presentation given at this meeting, please click on the following link – [November 2023 Conceptual Design Plan Presentation](#).

Please visit the [Paradise Recreation Renovation page](#) of [DistrictGov.org](#) for more information and updates!

# New Hours of Operation

**8AM – 12PM | 1 PM – 5PM**  
**Monday – Friday**

### **NORTH SATELLITE OFFICE**

1200 Avenida Central in La Hacienda

### **SOUTH SATELLITE OFFICE**

4856 S. Morse Blvd. just south of SR 44

# Golf Car Rules of The Road Reminder

– Stan Davis, Facilities Division Manager  
for District Property Management

At our recent Government Day event, a resident from the Village of Richmond inquired about the rules when approaching an intersection and crossing by an Entry Gate Shack. Golf Carts, Bicycles and Pedestrians on Multi-Modal Paths should use extreme caution where the paths intersects and crosses roadways, especially behind Gate Shacks where visibility may be limited to the motor vehicle operator, as well as Golf Cart, Bicyclists and Pedestrians. Traffic at all gates and gate crossings is posted at 5 MPH. Many golf carts lack the safety features and protections that modern cars have, and as a result impacts can cause more severe injuries to include life-altering head, neck, or spine trauma due to the impact and/or ejection.

While driving a golf cart or low-speed vehicle, the safety of yourself and others should be the top priority of the driver. Responsible driving requires concentration, sound judgment, and common sense of the driver. Carts should be operated with the utmost courtesy, care and consideration for the safety and convenience of pedestrians, cyclists, cart occupants and motor vehicles. Carts and low speed vehicles must yield to pedestrians and motor vehicles in crosswalks and intersections and follow posted signage (stop, yield, etc). When approaching intersections at an entry gate in The Villages from the exit lane side of the gate house, you approach slowly, stop the golf cart, and observe the position of the Village gate entry side arms. If

they are in the upright position there is a high probability that a motor vehicle is entering the intersection. Always proceed with caution and maintain awareness of possible motor vehicle traffic. Full view of the entry lanes may be blocked by the gate house.

Lastly, Governor DeSantis signed a new bill tightening restrictions for teens driving golf carts on May 11, 2023. The law went effect on October 1, 2023. Under the new law, a golf cart may not be operated on public roads or streets by a person under 18 years of age unless they possess a valid learner's driver license or valid driver license. This means a 15-year-old with a learner's permit may drive a golf cart. Anyone who is 18 or older unless they possess a valid form of government-issued photographic identification. This violation of the law would include a noncriminal traffic infraction, similar to moving violations.

# Smoke Detector Program

Did you know that The Villages Public Safety Department offers smoke detector assistance to residents of The Villages?

- This program is designed for residents who are disabled or unable to climb ladders.
- The Villages Public Safety Department recommends changing batteries once a year.
- Residents must purchase new nine-volt batteries or detectors before calling for assistance.
- On average, a smoke detector lasts around ten years and the combination smoke/carbon monoxide units last five to seven.
- Smoke alarms are designed to signal with a single beep which repeats every few minutes to alert you that the battery needs changing. Three to five beeps at a time is a signal that the detector needs to be replaced.
- On average, a smoke detector lasts around ten years. The smoke/carbon monoxide units last around five to seven years.
- If your detectors are beeping non-stop please leave the home and call 911. It may be signaling a fire or carbon monoxide emergency.
- Homes in The Villages are designed with hardwired smoke detectors. Detectors are located in the bedrooms and in the main living area. A smoke/carbon monoxide combination unit is located outside of the bedrooms.

The smoke detectors that are installed in your home are manufactured by BRK under the name First Alert. The model number for the smoke detector is 9120B and the model number of the combination smoke/carbon monoxide detector is SC9120B.

# Smoke Detector Program

For those residents that are hearing impaired, there are several types of detectors that may be right for you such as strobe light detectors or detectors that can shake the bed in the event of a fire. For more information on these detectors, please stop by The Villages Public Safety Administration office at 3035 S. Morse Boulevard Monday through Friday from 8:00 AM to 5:00 PM to obtain a brochure or visit our website at [DistrictGov.org](http://DistrictGov.org).

Smoke detector battery changes and/or installations can be arranged by calling 352-205-8280 Monday through Friday from 8:00 AM to 5:00 AM. If it is after hours or on the weekend and you have a beeping detector, call 352-205-8280 and select option 1 on the recording to be connected to Community Watch Dispatch.

There is no charge for this service. Appointments are for same-day service and first come first serve.

The Villages Public Safety Department employees will arrive at your home in uniform, with a visible name badge. They will also have a ladder with them.

As a reminder, this assistance is strictly for smoke detectors. The employees visiting your home will not be able to assist you with non-related smoke detector issues or concerns such as light bulbs.

If you have any questions or would like additional information on this program, please contact The Villages Public Safety Department at 352-205-8280.

## THE UNFLUSHABLES:

### Keep wipes and other products from clogging your community's sewer system

With developments surrounding the COVID-19 pandemic, there's lots of change and interruption in our lives. Panic buying has left some people without adequate supplies of toilet paper, and they may have no choice but to use other products in the bathroom. Therefore, it's important that we make sound decisions to prevent clogs and damage to sewer systems.

To keep wastewater systems working properly, please flush only the appropriate waste down the toilet.

### WIPES CLOG PIPES, SO REMEMBER THESE TIPS:

#### FLUSH IT:

Biological waste (urine, feces) and toilet paper are the only materials that should be flushed down the toilet. Toilet paper breaks down in water. Other products do not.

#### TRASH IT:

Anything else—cotton swabs, baby wipes, wet wipes (even if marked "flushable") and paper towels. These items must be disposed of as domestic waste and NOT flushed down the toilet.

**IT'S A TOILET  
NOT A TRASH CAN!**

**\*ONLY FLUSH TOILET PAPER**

#### PLACE THESE ITEMS IN THE TRASH, NOT THE TOILET:

- Paper towels and napkins
- Disinfecting wipes (even if marked "flushable")
- Baby wipes
- Diapers
- Feminine hygiene products

These steps will help us keep collection and treatment systems operating properly. If there's no toilet paper and you must use something else, keep a trash bin in the bathroom to dispose of non-toilet-paper products. Clean the bin and surrounding areas regularly. Businesses should provide similar trash bins and consider posting signs reminding patrons not to flush non-toilet-paper products.

Please help us avoid unnecessary sewer clogs and backups.

# Jacobs

# Executive Golf Renovation Closures

## Palmetto Executive Golf Course

In our efforts to provide a great golfing experience, the Palmetto Executive Golf Course will be closed starting Monday, November 13, 2023 for four weeks for a greens collar renovation project. Preparation steps have started for this project, and you will see the grass turn off color over the next week. New TifGrand Bermuda grass will be installed and will enhance the greens surrounding. We thank you for your patience during this closure.

## Saddlebrook & Roosevelt Executive Golf Courses

In our efforts to keep the Executive Golf Courses in optimal condition, the Saddlebrook and Roosevelt Executive Golf Courses will be closed for rest and rehabilitation Friday, November 3, 2023 through Friday, November 22, 2023. This schedule may be adjusted due to unforeseen circumstances, including weather. We apologize for the inconvenience. If you have any questions or need additional information, please contact Executive Golf Maintenance at 352-674-1885.

## Executive Golf Course Renovation Projects

We currently have three Executive Golf Courses undergoing comprehensive renovations as part of the approved Capital Improvement Projects:

- **Hill Top Executive Golf Course**
- **Briarwood Executive Golf Course**
- **Belmont Executive Golf Course**

Renovations to the Hilltop, Briarwood and Belmont Executive Golf Courses include new greens, tees, fairways and bunkers. Landscape enhancements and cart path repairs will be incorporated as well to revitalize the courses and enhance the overall player experience.

## Bunker Sand Project

During our course renovations in addition to new grass for tees, greens, and fairways we are also installing new G-angle bunker sand in all the sand traps. G-angle sand goes through a crushing/grinding process to create angular particles which lock and hold together better. This not only helps the water drain through but also helps keep the sand from washing out as bad when it rains. The finished product will create a more playable and aesthetically pleasing playing area!

Daylight Savings Time ends on November 5<sup>th</sup>, 2023

# Gate Operations

## Safety Guidelines

The Villages has over 100 gate facilities spread throughout the community. While we are not a “gated community” and these gates don't restrict access, they provide the very important functions of safety and traffic control.

Gates require all vehicles to stop before entering a neighborhood and slow down before exiting.

### **Special situations you may encounter**

**Inclement Weather** – During heavy rains, Gate Attendants at staffed gates will open the gate for you after your vehicle has come to a complete STOP in front of the gate.

**Gate Attendant Instruction** – In certain situations, the Gate Attendant may raise the gate and instruct more than one vehicle at a

time to pass through. This is done solely at the discretion of the Gate Attendant to prevent specific traffic flow problems.

**Inoperative Gates** – Look for traffic cones or barrels placed in front of the inoperative gate(s). Please STOP and safely switch to the remaining open lane and use the open gate. If you come upon a gate that is not functioning properly, please notify Community Watch so that repairs can be scheduled as quickly as possible.

**24-Hour Dispatch: 352-753-0550**

**Cameras** – All gates are equipped with cameras, allowing Community Watch to continually record and monitor traffic entering and exiting the community.

# Gate Operations

## Safety Guidelines

### Gate Operation Guidelines

#### Resident Lanes

- Resident entrance gates are raised by either the use of your gate access card or by pressing a button on the box where the card reader is located.
- When using your gate access card, please STOP at the card reader and display your card within 12-inches of the card reader.
- When pressing the button, please STOP at the card reader box and press the button.

#### Visitor Lanes

- Visitor entrance gates are raised by either the use of your gate access card, by pressing a button on the box where the card reader is located or manually by a gate attendant.
- If you are using a gate access card, please STOP at the card reader and display your card

within 12-inches of the card reader.

- If you are pressing the button, please STOP at the card reader box and press the button.
- If you approach a gate with a gate attendant, please STOP and allow the gate attendant to fully open the gate before proceeding.

#### Exit Gates

- Proceed slowly towards the gate to allow the sensor to recognize your vehicle and the gate to open.
- When the gate opens, proceed carefully, watching for all cross traffic, cyclists, golf cars and pedestrians.
- Only one vehicle at a time should pass through the gate. A second vehicle trying to pass through a raised gate will be damaged by the closing gate.

# Maintenance Work & Other Closures

## Lake Sumter Landing Seal And Stripe Work

*Updated 11/14/2023*

District Property Management is conducting seal and stripe work in several Lake Sumter Landing parking lots. [Click here](#) to view a map of the affected areas. This schedule may be adjusted due to unforeseen circumstances, including weather.

### Lake Sumter Landing Parking Lot Seal and Stripe Schedule:

- Chiller Building, Phase #12: November 27-28, 2023
- 

## Road Closure

*Updated 10/9/2023*

District Property Management will be performing restoration for a stormwater pipe that will require a closure of the westbound golf cart lane on Bichara Boulevard northwest of the intersection of US 441 and Bichara Blvd near the Wendy's restaurant. Golf carts will be merged temporarily into automobile traffic before returning to the golf cart lane. The closure will begin Friday, October 6, 2023 and will continue indefinitely until stormwater restoration is completed as soon as possible. Please pay attention to the flow of traffic and use caution when approaching the lane merge. We appreciate your patience as we strive to provide the best service possible and ensure the District's assets are preserved for our community. If you have any questions, please call District Property Management at 352-753-4022.

---

## Saddlebrook Multi-Modal Path – Closure

District Property Management will be performing asphalt repairs along the multi-modal path between the south side of Saddlebrook Recreation Center to the north side of Tunnel B10 (under 466A). The multi-modal path will be blocked off and a detour will be visibly marked. The detour will run along the concrete pathway of the Saddlebrook Executive Golf Course. The work is tentatively scheduled below:

**Start:** Tuesday, November 21, 2023

**End:** Wednesday, November 22, 2023

## HOW TO

### How Do I Order a Guest Pass Online?

Guest Passes can be ordered online to pickup at any At Your Service Center or one of the District Customer Service Centers.

- 1 To order a Guest Pass online, go to [DistrictGov.org](https://DistrictGov.org).

- 2 In the Quick Links menu on the left-hand side of the page, click on "Guest ID Card Service."

## HOW TO

### How Do I Order a Guest Pass Online?

- 3 Type your Resident ID and Pin Number, then click Log In. Your Resident ID number can be found on your Resident ID card under the barcode. If you don't know your 4 digit pin number, contact the District Customer Service Office at 352-753-4508.

- 4 On the Guest ID Application page — complete the form, select the Pick Up Location, and click Save Application. Complete the information for any other guests.

*\*If you don't have 3 days from the arrival date, once you complete the application, contact the pick up location and they can edit the dates.\**

## Guest Pass Pick Up Locations

### Monday – Friday from 8:30 AM to 5 PM:

- Paradise: 352-753-0637
- La Hacienda: 352-753-1716
- Savannah Center: 352-750-6084
- Mulberry Grove: 352-259-6040
- Laurel Manor: 352-751-7110
- Lake Miona: 352-430-2950
- Colony Cottage: 352-750-1935
- SeaBreeze: 352-750-2488
- Eisenhower: 352-674-8390
- Rohan: 352-674-8400
- Fenney: 352-674-8460
- Everglades: 352-674-8434
- Ezell: 352-674-1860
- District Customer Service Centers: 352-753-4508 (Monday – Friday from 8 AM to 5 PM)

### For weekend pick up, contact the following At Your Service Centers from 8:30 AM to 12 PM:

- La Hacienda: 352-753-1716
- Lake Miona: 352-430-2950
- Eisenhower: 352-674-8390

Community Standards

# IRRIGATION SYSTEM FLUSHING: DISTRICTS 5-8

In April 2023, our Utilities Operations and Maintenance contractor (Jacobs) began flushing the Villages Water Conservation Authority (VWCA) irrigation system located in Districts 5-8. Flushing prevents the accumulation of small particles and build-up, which can lead to plugging issues in our irrigation system. Due to the size of the VWCA system, the area has been divided into 90 distinct flushing zones. Once started, this project will take approximately 50 weeks to work through all 90 zones.

As the flushing takes place, you will see the Jacobs team opening fire hydrants and flushing irrigation lines only into the roadway. Work hours will be from 8 am to 5 pm. Information will be updated regularly on the District's website on when you can expect to see the Jacobs team in action in your area. Please continue to check the Weekly Bulletin or the [What's Happening](#) page on [DistrictGov.org](#) for updates.

This maintenance work will not have any effects on your drinking water quality nor pressure. This is a proactive effort to maintain your irrigation system.

The safety of residents and contractor personnel is of the utmost importance. We are requesting everyone to abide by all barricades and warning signs and to avoid the active work area for anything other than access to your property.

Thank you for your cooperation and patience as we improve our irrigation system. If you have any questions or would like additional information, please contact District Utilities at 352-753-4022.

See below for the schedule and map. Please note that the schedule and zone are tentative based on operational conditions encountered.

[Click Here To View a Map of the Flushing Zones](#)

## A tentative schedule of the areas impacted in the upcoming week:

Zone Flushed	Duration	Start	Finish
60	3 days	Thursday 11/16/23	Monday 11/20/23
56	2 days	Tuesday 11/21/23	Wednesday 11/22/23
52	3 days	Thursday 11/23/23	Monday 11/27/23
