December Board

Meeting Cancellations

Due to no new business items needing to be addressed, several District Boards and Committees have elected to cancel their December meetings or are not scheduled to meet in December. The following breakdown identifies which Boards and Committees will meet during the month of December 2023 and which Boards will resume their normal meeting schedules in January 2024. For additional information, visit DistrictGov.org or call District Customer Service at 352-753-4508.

Cancelled December Meetings

The following Boards have cancelled their December 2023 meetings and will resume their normal meeting schedule in January 2024:

Village Community Development District 2	Village Community Development District 14
Village Community Development District 5	Village Community Development District 15
Village Community Development District 6	Project Wide Advisory Committee
Village Community Development District 7	Sumter Landing Community Development District
Village Community Development District 8	Wildwood Utility Development District
Village Community Development District 9	Eastport Community Development District
Village Community Development District 10	Eastport Maintenance Advisory Committee
Village Community Development District 11	Coleman Ridge Community Development District
Village Community Development District 12	Middleton Community Development District-A
Village Community Development District 13	Middleton Downtown Community Development District

December Meetings Not Cancelled

The following Boards and Committees will hold their December 2023 meetings to address pending items:

Village Community Development District 1	Amenity Authority Committee
Village Community Development District 3	Village Center Community Development District
Village Community Development District 4	North Sumter County Utility Dependent District

The Villages Public Safety Department Dependent District *Organizational Meeting*

On November 28th, the Sumter County Board of County Commissioners adopted Ordinance 2023-18 establishing The Villages Public Safety Department Dependent District (VPSDDD).

The VPSDDD Organizational Meeting will be held on Friday, December 15, 2023 at 10 AM at the Savannah Regional Recreation Center. The Organizational Meeting will consist of the selection of officers, review of the roles and responsibilities of the Board, engaging consultants and establishing future meeting dates. Once the agenda is published, a link to the meeting material will be available on [DistrictGov.org](https://www.districtgov.org).

CDD Orientation Holiday Schedule

Due to the upcoming holidays, the CDD Orientation schedule for the holiday season has been adjusted. CDD Orientation on the following dates has been canceled:

- **Thursday, December 28, 2023**
- **Tuesday, January 2, 2024**

Districts 11–14 and Middleton-A

Architectural Review Meeting location Change

Beginning January 3, 2024, the Architectural Review Meetings for Districts 11–14 and Middleton-A will be held at Franklin Recreation, located at 6716 Meggison Rd, The Villages, FL.

The meetings will still be held every Wednesday at 1 PM. The Architectural Review Hearing Officer will maintain the practice of administratively reviewing applications during the weekly meeting. Residents are welcome to attend and speak on behalf of their applications and be present while the Architectural Review Hearing Officer conducts the reviews.

The Architectural Review Committee for Districts 1-10 and the Lady Lake/Lake County portion of The Villages meets every Wednesday at 8 AM at the District office located at 984 Old Mill Run, The Villages, FL.

Spotlight on Government Day 2023

Residents, guests, District staff and the local government agencies in attendance all had something to say at our 26th Government Day event! Check out our recap video for a glimpse into this amazing event and the importance of positive community engagement.

December 2023

352-674-1885 • DistrictGov.org • GolfTheVillages.com

Fall is now wrapping up and winter is almost here! The weather is changing, the time is changing and soon the year will be changing! While here in Florida we don't have many changing colors with each passing season, we do have something else that signifies the changing seasons — Muhly grass is blooming! These grasses start blooming every fall and their pink and white color varieties really make our landscape beds pop. Speaking of making the landscape beds pop, its that time of year for the first pine straw applications of the season. Not only does it make the landscape look great, it also feeds the plants and trees as it slowly breaks down.

FUN FACT

Fun fact: this year we will be applying 50+ thousand bales of pine straw on our 36 golf courses!

You should start to notice in a month or so that the overseed on the tee boxes will be germinating. This year the overseed will be a little lighter than normal only seeing one or two tee boxes per hole if any at all. While the overseed is great for holding up to traffic it also takes additional water and fertilizer to manage, which is ideal for grass that is meant to only be seasonal.

Churchill Greens is finally open! The renovation went smoothly and we were able to open on Wednesday, November 1st. Be on the lookout for further information on Belmont, Hilltop and Briarwood as they will not be far behind!

We are continuing our rest and rehab closures to give some of our more played courses, giving them a much needed break as well as giving our teams some time to do additional maintenance. Hawks Bay and Bogart have reopened for play and we will continue these importance maintance practices to ensure optimal course condition. We thank everyone for their patience during these closures.

TURF TIP

Now that the weather is cooling down, the grass growth is slowing down as well. This makes traffic control even more important, especially with the additional play in the winter. Make sure that we are following the direction provided by the stakes and signs on the course.

Public Safety SPOTLIGHT

LIEUTENANT MAX CANTOR

Name/Rank:

Lieutenant Max Cantor

Years of Service:

13

Current Area of Service:

Station 41

Specialty Teams/Roles:

- Peer Support

equipment, monitors etc.)

- Furniture (oversized chairs, mattresses, box springs, etc.)
 - Appliances (washer, dryer, dishwasher, refrigerator)
 - Lawn Mowers
 - Exercise Equipment
 - Remodeling debris generated by the homeowner ONLY (sinks, toilets, carpeting, lumber etc.)
- All Contractors are required to remove all debris from their jobs. This includes lawn maintenance, tree trimmers, builders, carpet installers, roofers, etc.**

To schedule a bulk pick-up, call 352-748-0109.

There will be a \$10 charge added to your utilities and amenities bill each time a bulk pick-up is requested.

Solid Waste - Bulk Pickup

Information Provided By...

Residents of Districts 12 and 13

Contact Utilities Customer Service at 352-750-0000 or by email at Utilities@DistrictGov.org for more information or to schedule a bulk pick-up.

Residents living in the unincorporated Lake County portion of The Villages (not including District 11)

Contact Lake County Solid Waste at 352-343-3776 with questions.

Town of Lady Lake Residents

Contact Waste Management at 352-787-4416 with questions.

For more information on Curbside Residential Sanitation Collection, click the image below.

Lithium-Ion Battery Safety

Lithium-ion batteries supply power to many kinds of devices including smart phones, laptops, e-scooters and e-bikes, e-cigarettes, smoke alarms, toys, and even cars. If not used correctly, or if damaged, these batteries can catch on fire or explode.

The problem

- These batteries store a large amount of energy in a small amount of space.
- Sometimes batteries are not used the right way; batteries not designed for a specific use can be dangerous.
- Like any product, a small number of these batteries are defective. They can overheat, catch fire, or explode.

Safety Tips

- Purchase and use devices that are listed by a qualified testing laboratory.
- Always follow the manufacturer's instructions.
- Only use the battery that is designed for the device.
- Put batteries in the device the right way.
- Only use the charging cord that came with the device.
- Do not charge a device under your pillow, on your bed, or on a couch.
- Do not keep charging the device or device battery after it is fully charged.
- Keep batteries at room temperature when possible. Do not charge them at temperatures below 32°F (0°C) or above 105°F (40°C).
- Store batteries away from anything that can catch fire.

Signs of a Problem

Stop using the battery if you notice these problems: odor, change in color, too much heat, change in shape, leaking, or odd noises. If it is safe to do so, move the device away from anything that can catch fire. Call **9-1-1**.

Battery Disposal

- Do not put lithium-ion batteries in the trash.
- Recycling is always the best option.
- Take them to a battery recycling location or contact your community for disposal instructions.
- Do not put discarded batteries in piles.

Charging an E-bike

Charge your battery in a flat, dry area away from children, direct sunlight, liquids, tripping hazards, and in a location where the e-bike is not at risk of falling.

Community Development Districts
District 6

Notice Of Vacancy
Village Community Development
District No. 6 Board Of Supervisors

The Village Community Development District No. 6 Board of Supervisors is seeking applicants who are interested in filling Seat 3, which was recently vacated due to the resignation of an existing Board Supervisor. The remainder of the existing four (4) year term for the vacated Seat will expire in November 2024.

Any interested applicants must be a qualified elector which is defined by Florida Statute 190 as “any person at least 18 years of age who is a citizen of the United States, a legal resident of Florida and of the district, and who registers to vote with the Supervisor of Elections in the county in which the district land is located”. To obtain additional information or request an application, you may contact Jennifer Farlow, District Clerk at 352-751-3939 or obtain a copy of the application on the DistrictGov.org website or on the following page.

Applications must be submitted to the District Clerk no later than 5 PM on Tuesday, January 9, 2024 at the District Office, 984 Old Mill Run, The Villages.

The Board of Supervisors will interview applicants at their regularly scheduled Board Meeting to be held on Friday, January 19, 2024 at 9 AM in the **District Office Board Room, 984 Old Mill Run, The Villages, FL.**

FOR IMMEDIATE RELEASE

December 5, 2023

Contact: Linda Piotrowicz
LPiotrowicz@wildwood-fl.gov
352-330-1330, ext. 110

Wildwood Police Offer Holiday Crime Prevention Tips

With holiday festivities in full swing, Wildwood officials are reminding residents to be alert and reduce risks related to seasonal crime trends.

“We typically see a spike in property and auto theft at this time of year, consistent with other jurisdictions across the state and country,” said Police Chief Randy Parmer. “It’s an unfortunate truth that increases in shopping, traveling, and socializing present abundant opportunities for criminals to take advantage of citizens. Fortunately, there are some simple steps everyone can take to deter crime.”

As a minimum, Parmer recommends the following:

- Stay alert. Residents should be on the lookout for dubious persons and activity and call 911 if they see something that looks suspicious.
- Never leave packages in plain sight. Lock up purchases in the trunk when shopping and promptly bring in all deliveries. Use the shipper’s tracking feature to determine when packages will arrive so they are not left outside in view.
- Always lock vehicles and remove the keys. This applies when parking briefly to run into a building for a few minutes. Criminals generally seek the path of least resistance, particularly unlocked cars with keys left in them.
- Keep all doors locked at home, whether or not inside. This includes closing and locking garage doors, another easy target for perspective thieves.
- Take steps to make the house look occupied when away. Putting various room lights on timers, preventing newspapers from piling up, and having a locked vehicle in the driveway help deter potential property crimes.

“These are good habits all year round,” Parmer added. “Many of the calls we respond to could be prevented by simply following these practices.”

According to 2022 data, property crimes in Wildwood outweigh crimes against persons by more than ten to one in a city that enjoys an exceptionally low violent crime rate. To learn more, visit <https://data.wildwood-fl.gov/>.

MOVING FLORIDA FORWARD

I-75 Improvements from South of S.R. 44 to S.R. 326 Marion and Sumter Counties

Financial Project Identification (FPID) Numbers.: 452074-1 & 452074-2

I-75 North

I-75 South

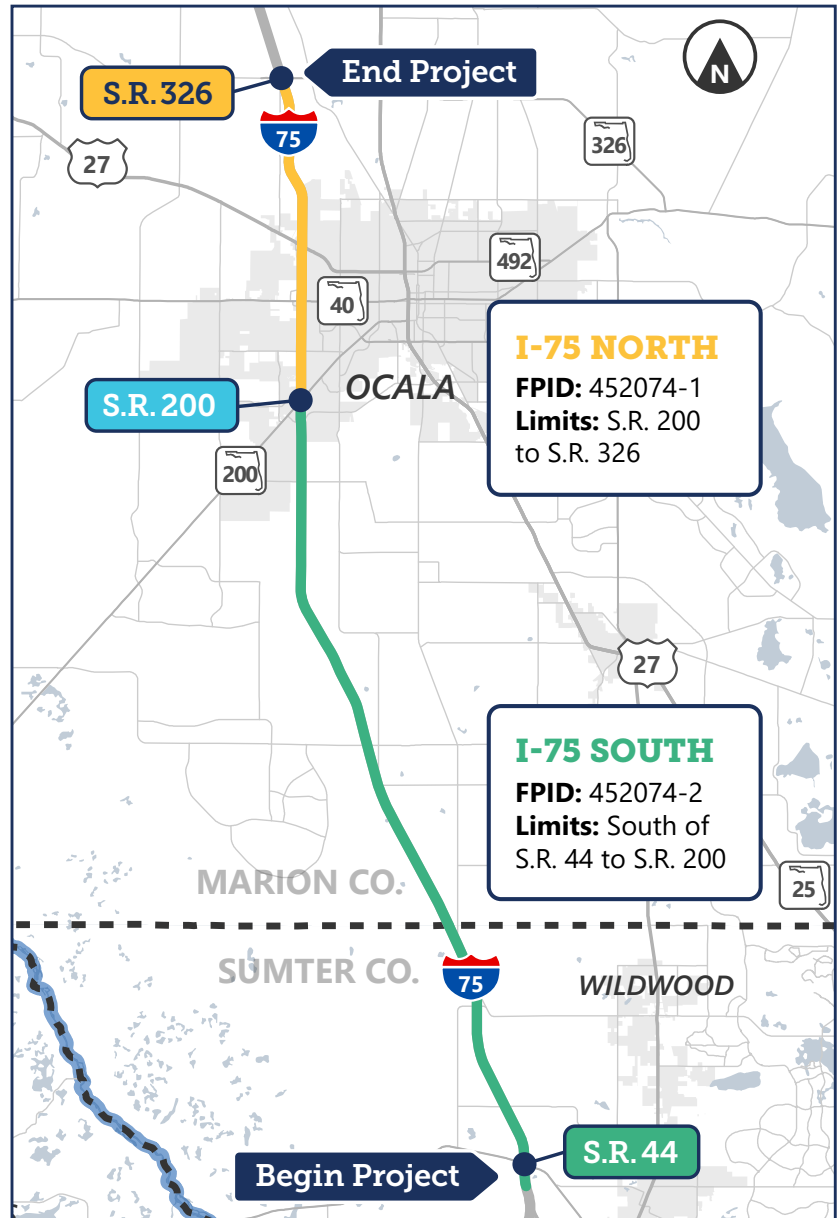

Project Description

The historic Moving Florida Forward Infrastructure Initiative (fdot.gov/movingfloridaforward) is allowing the Florida Department of Transportation (FDOT) to advance much-needed improvements to Interstate 75 (I-75) in Central Florida, with construction anticipated to begin in spring 2025.

The I-75 Improvements projects are located between State Road (S.R.) 44 in Sumter County and S.R. 326 in Marion County, covering approximately 30 miles. The improvements include the addition of an auxiliary lane in each direction and interchange improvements at S.R. 326 and S.R. 40.

An auxiliary lane is an extra lane connecting the on and off ramps between two consecutive interchanges that reduces congestion by giving drivers more space and time to merge safely.

The I-75 improvements are currently being evaluated under two separate Project Development and Environment (PD&E) studies. I-75 South begins south of S.R. 44 and ends at S.R. 200. I-75 North begins at S.R. 200 and ends at S.R. 326.

Maintenance Work & Other Closures

South Satellite Office Closure

In our efforts to keep our facilities in optimal condition, the South Customer Service Satellite Office located at 4856 S. Morse Blvd. will be closed for parking lot seal and stripe on Friday, December 15, 2023. This schedule may be adjusted due to unforeseen circumstances, including weather. We apologize for the inconvenience. If you have any questions or need additional information, please contact District Customer Service at 352-753-4508.

Road Closure

Updated 10/9/2023

District Property Management will be performing restoration for a stormwater pipe that will require a closure of the westbound golf cart lane on Bichara Boulevard northwest of the intersection of US 441 and Bichara Blvd near the Wendy's restaurant. Golf carts will be merged temporarily into automobile traffic before returning to the golf cart lane. The closure will begin Friday, October 6, 2023 and will continue indefinitely until stormwater restoration is completed as soon as possible. Please pay attention to the flow of traffic and use caution when approaching the lane merge. We appreciate your patience as we strive to provide the best service possible and ensure the District's assets are preserved for our community. If you have any questions, please call District Property Management at 352-753-4022.

Irrigation Line Repair

Updated 11/28/2023

Due to a needed repair to our irrigation system, the multi-modal path north of Belvedere Blvd at the Village of Bonnybrook entrance will be closed Monday, December 4, 2023 for up to three days while the work is completed. Residents should use the Laurel Manor and Rainey Trail tunnels to avoid the area during this time. The safety of our residents and construction personnel is of the utmost importance. We are requesting everyone to abide by all barricades and warning signs and to avoid the active construction area. Thank you for your cooperation and patience while the repair is underway. If you have any questions or would like additional information, please contact Utilities Customer Service at 352-750-0000.

IRRIGATION SYSTEM FLUSHING:

DISTRICTS 5-8

In April 2023, our Utilities Operations and Maintenance contractor (Jacobs) began flushing the Villages Water Conservation Authority (VWCA) irrigation system located in Districts 5-8. Flushing prevents the accumulation of small particles and build-up, which can lead to plugging issues in our irrigation system. Due to the size of the VWCA system, the area has been divided into 90 distinct flushing zones. Once started, this project will take approximately 50 weeks to work through all 90 zones.

As the flushing takes place, you will see the Jacobs team opening fire hydrants and flushing irrigation lines only into the roadway. Work hours will be from 8 am to 5 pm. Information will be updated regularly on the District's website on when you can expect to see the Jacobs team in action in your area. Please continue to check the Weekly Bulletin or the [What's Happening](#) page on [DistrictGov.org](#) for updates.

This maintenance work will not have any effects on your drinking water quality nor pressure. This is a proactive effort to maintain your irrigation system.

The safety of residents and contractor personnel is of the utmost importance. We are requesting everyone to abide by all barricades and warning signs and to avoid the active work area for anything other than access to your property.

Thank you for your cooperation and patience as we improve our irrigation system. If you have any questions or would like additional information, please contact District Utilities at 352-753-4022. See below for the schedule and map. Please note that the schedule and zone are tentative based on operational conditions encountered.

[Click Here To View a Map of the Flushing Zones](#)

A tentative schedule of the areas impacted in the upcoming week:

Zone Flushed	Duration	Start	Finish
61	2 days	Thursday 12/7/23	Friday 12/8/23
63	1 day	Monday 12/11/23	Monday 12/11/23
67	1 day	Tuesday 12/12/23	Tuesday 12/12/23
68	2 days	Wednesday 12/13/23	Thursday 12/14/23
