UNFLUSHABLES

Information provided by **JACOBS**

Keep wipes and other products from clogging your community's sewer system

To keep wastewater systems working properly, please flush only the appropriate waste down the toilet.

WIPES CLOG PIPES, SO REMEMBER THESE TIPS:

FLUSH IT:

Biological waste (urine, feces) and toilet paper are the only materials that should be flushed down the toilet. Toilet paper breaks down in water. Other products do not.

TRASH IT:

Paper towels, feminine hygiene products, wipes, and similar products must be disposed of as domestic waste and NOT flushed down the toilet.

**IT'S A TOILET
NOT A TRASH CAN**

***ONLY FLUSH TOILET
PAPER**

These steps will help us keep collection and treatment systems operating properly. If there's no toilet paper and you must use something else, keep a trash bin in the bathroom to dispose of non-toilet-paper products. Clean the bin and surrounding areas regularly. Businesses should provide similar trash bins and consider posting signs reminding patrons not to flush non-toilet-paper products.

Please help us avoid unnecessary sewer clogs and backups.

Don Deakin

The **Q&A** Meeting

Monday, MAY 6th, 2024
7:00 pm - 9:00 pm

Mulberry Grove Recreation Center

The purpose of **Q&A** meetings is to provide residents with opportunities to ask questions, get answers, share their concerns, offer suggestions, and address rumors.

Although most of us are retired, our active schedules make it difficult for some residents to attend District Board meetings during the day.

These **Q&A** Meetings provide an informal setting with no agenda, no scheduled speakers, and no microphones.

Q&A meetings are open to the public. A variety of topics will be on the table, including but not limited to:

- District 4
- Amenity Authority Committee
- The Villages
- Marion County

Because residents choose the topics, each **Q&A** meeting will be different.

This month's meeting will be hosted by Don Deakin. He has been a resident of Chatham in The Villages for 21 years.

In The Villages local government, Don has served as a Supervisor on the District 4 Board, since 2008; on the Amenity Authority Committee, (AAC), since 2014; and as the Liaison between District 4 and the Marion County Commission.

Seven (7) years ago, on May 1, 2017, Don started hosting **Q&A Meetings** at the Mulberry Grove Recreation Center at night in order to improve communications between local government & the residents.

"I hope to see you there and look forward to meeting you, if we haven't already." said Supervisor Deakin.

For more information: Call Supervisor Don Deakin at (352) 750-5395; or send an Email to DRDeakin@aol.com
