

**EXTERNAL DEED RESTRICTION – STANDARDS DEFINITIONS  
VILLAGE CENTER COMMUNITY DEVELOPMENT DISTRICT FOR  
THE LADY LAKE / LAKE COUNTY PORTION OF THE VILLAGES**

**Purpose:** The purpose of these External Deed Restriction Standards is to supplement and further clarify those items identified and/or defined in the Declaration of Restrictions for those properties located within the boundaries of the Lady Lake / Lake County portion of The Villages and to identify, clarify and interpret the adopted Rule to Bring About Deed Compliance (“Rule”) relating to the exterior appearance or use of real property within its the boundaries. The following are general interpretations of the Rule for the District:

**Alterations, Modifications, and Changes**

The District is responsible for approving alterations, changes, or modifications to Homesites and the exterior appearance and structure of the home. No after-market change should be made to any Homesite or Home without first obtaining District approval. This includes but is not limited to: arbors, trellises, pergolas, pools, patios, screen cages, decks, awnings, fences, walls, enclosures, landscaping, driveway additions, re-paintings and room additions to the home. District approval may be via an Architectural Review Committee (ARC) created by District resolution or inter-local agreement in furtherance of the architectural review process.

**Community Standards Department**

The department responsible for carrying out deed compliance for certain exterior deed restrictions as described in the Rule.

**Complainant**

An individual who makes a complaint and initiates the deed compliance process.

**Deed Compliance Staff**

Members of the District Community Standards Department who are charged with making calls, inspecting properties, and carrying out departmental duties.

**Deed Restrictions**

Are those deed restrictions adopted by the Rule.

**Fence**

A fence may include but is not limited to a vertical structure or a dividing instrument.

## **Garbage/Trash**

All household waste should be placed in a sealed tall kitchen bag or a 20-30 gallon trash bag (any color). All materials can be placed in the same bag. The trash bags should be placed together at the end of the driveway. Each bag should weigh no more than forty (40) pounds. Bags must be placed for collection before 6 AM on your collection day or the night before (no sooner than 5 PM). Collection times may vary. This criterion can change, please check with your trash service provider.

## **Hedges**

Hedges are defined as a contiguous grouping of shrubs.

## **Homesite and/or Lot**

Shall mean and refer to any plot of land shown upon a plat which bears a numerical designation, but shall not include tracts or other areas not intended for a residence within the District's boundaries. The terms Homesite and Lot are used interchangeably.

## **Inoperable Vehicles**

Inoperable Vehicles are vehicles that: (1) are incapable of operation; (2) are not licensed and/or registered; or (3) have a flat or missing tires. Vehicles must be capable of operation and proof of such shall be demonstrated to District staff, upon request.

## **Lawn Ornaments**

There is no prohibition on lawn ornaments in Home Units and Villa Units, except in Villa Unit 103. Villa Unit 103 only permits seasonal displays not to exceed 30 days in duration.

## **Maintenance**

Maintenance shall mean the exercise of reasonable care to keep buildings, landscaping, lighting, lawns, and other related improvements and fixtures in good condition. Maintenance of landscaping is defined as the exercise of generally accepted garden-management practices necessary to promote a healthy, weed-free environment for optimum plant growth. The Rule's requirement to mow includes the requirement to weed. Grass is overgrown when it exceeds 8" in height, or when shrubbery is up to soffit and/or rain gutters or if shrubbery is obstructing entry to the front door. If the lawn is required to be sodded, any turf grass such as St. Augustine, Bahia, Empire Zoysia, Bermuda or other may be used and shall be void of any bare or dead spots exceeding approximately 1½ feet in diameter. Although Florida-Friendly ground cover is permitted as a substitute for sod, rock or artificial turf (whether silk, plastic or other material) is not an approved substitute for sod.

Homes and lots are expected to be kept free of external unused items, construction material, and other debris.

## **Owner**

Owner shall mean the owner(s) of record according to the Property Appraiser's records in the county in which the violation exists. The owner(s) may or may not be the person living in the home.

## **Painting**

Home re-painting is not considered an alteration, modification, or change requiring ARC approval IF the chosen color is the original color at the time of construction, a color included on the current District approved color palettes or is a color within the hue range of the palettes. Therefore, if the chosen color is the original color at the time of construction, on the current District approved color palettes or within the approved hue range of the palettes, ARC approval is not required. If the chosen color is not the original color at the time of construction, is not on the current District approved color palettes, or is within the approved hue range, the homeowner must seek and receive ARC approval to utilize chosen color. The approved color palettes are subject to change. The District's current approved color palettes can be viewed at the Community Standards Department. The color palettes may not be commingled. For example, if a homeowner utilizes a base color from palette 1, the homeowner must choose a trim color from palette 1.

## **Signs**

The placement of not more than one (1) professionally prepared sign not exceeding twenty-four (24) inches wide and twenty-four (24) inches high affixed to an exterior window of a home unit, any content is permitted. There is no enforcement of For Rent / For Sale signs in villa units; however, no other signs are allowed with the following exceptions:

- **Security:** Small decals or small signs may be placed on doors, windows, and planting beds next to the house.
- **Lawn Care:** State law allows for a sign to be placed on the newly-treated lawn until dry.
- **Medical Alert Decal:** Small decal placed on the front entry glass or door to inform First Responders of important medical information in the event of an emergency.

## **Trucks, Boats, and RV Parking**

No trucks in excess of 3/4 ton size\*, boats, or recreation vehicles shall be parked, stored, or otherwise remain on any Lot except for (a) service vehicles located thereon on a temporary basis while performing a service for a resident or (b) vehicles fully enclosed in garages located on the Lot. \*The tonnage of a vehicle describes the hauling capacity and not the weight of the vehicle. Example: A Ford F150 is classified as a 1/2 ton vehicle, Ford F250 is a 3/4 ton size vehicle, and a Ford F350 is a 1 ton vehicle. Anything larger than the F250, for example, Dooley or a Fifth-wheel, is considered in excess of 3/4 ton and would not be permitted to remain on the Homesite.

The following exceptions apply:

Types of RV's include, but not limited to, motorhomes, campervans (also known as travel trailers), fifth-wheel trailers, popup campers and truck campers. These types of RVs are allowed on the driveway not to exceed 72 hours (3 days) in a 30 day period, provided they are not inhabited. This allowance is made in an effort to accommodate the packing and unpacking of the RV.
- **Boats** are allowed on the driveway not to exceed 72 hours (3 days). This allowance is made in an effort to accommodate the packing, unpacking and cleaning of the boat.

**RULES OF THE  
VILLAGE CENTER COMMUNITY DEVELOPMENT DISTRICT**

**CHAPTER X**

**THE RULE TO BRING ABOUT DEED COMPLIANCE**

**Section 1. AUTHORITY:** The Board of Supervisors is responsible for the adoption of rules, pursuant to Chapters 120 and 190, Florida Statutes, for the conduct of the business of Village Center Community Development District (“District”) and in conjunction with the requirements of the law. Pursuant to §190.012(4), Florida Statutes, (“Statute”), the District is authorized to enforce certain deed restrictions within its boundaries in accordance with the Statute and upon adoption of this rule, The Rule to Bring About Deed Compliance, which includes Appendix A and B (“Rule”). The District may by resolution adopt standards by which this Rule may be interpreted.

**Section 2. PURPOSE:** The purpose of this Rule is to establish certain guidelines, operating policies and procedures relating to the enforcement of certain deed restrictions within the boundaries of the District. The District’s Board of Supervisors (“Board”) has determined that it is in the best interests of the District and the landowners residing therein, that this formal Rule establishing the operating policies, procedures and guidelines relating to the enforcement of those certain deed restrictions, as described herein, be adopted by the Board.

**Section 3. CONDITIONS PRECEDENT:** The District meets all the conditions precedent required by the Statute necessary to adopt this Rule:

- A) The District was in existence on the effective date of the Statute.
- B) The majority of the Board has been elected by qualified electors pursuant to the provision of section 190.006, Florida Statutes.
- C) Less than 25 percent of residential units are in a homeowners’ association.
- D) The declarant in all applicable declarations of covenants and restrictions has provided the Board with a written agreement that this Rule may be adopted and a memorandum of the agreement has been recorded in the public records and is attached hereto as **Appendix “A,”** and incorporated hereby.
- E) There are no existing homeowners’ associations within the District boundaries having respective enforcement powers.

**Section 4. PROCEDURES FOR COMPLIANCE, DEED RESTRICTIONS, COMPLIANCE MECHANISMS & ENFORCEMENT REMEDIES:**

**A. Definitions.** For purposes of this Rule the following terms shall have the following meanings:

- (i) Compliance Mechanisms - the method(s) of bringing about compliance with the Deed Restrictions.

- (ii) Deed Restrictions - means those covenants, conditions, restrictions, compliance mechanisms and enforcement remedies contained in any applicable declarations of covenants and restrictions, including any amendments thereto, as recorded in the Public Records of Lake County, Florida, that govern the use and operation of real property within the District and are subject to consideration per the Statute for adoption by this Rule that may be enforced by the District.
- (iii) Homesite and/or Lot - shall mean and refer to any plot of land shown upon a plat which bears a numerical designation, but shall not include tracts or other areas not intended for a residence within the District's boundaries. The terms "Homesite" and "Lot" are used interchangeably.
- (iv) Order of Enforcement – the final document issued by the Deed Compliance Hearing Officer at the conclusion of the deed compliance Public Hearing consisting of findings of fact, conclusions of law, the required corrective actions and fine imposition, if any.
- (v) Owner - shall mean the record owner, whether one or more persons or entities, of fee simple title to any Homesite which is subject to the Deed Restrictions.

**B) Procedures for Compliance of External Deed Restriction Limitations.** The Board hereby adopts by this Rule, detailed Procedures for Compliance of External Deed Restrictions for the District ("Procedures") which are attached hereto as **Appendix "B"** and incorporated herein by this reference. In sum, the Procedures provide, among other things, a process for initiating and receiving complaints regarding Deed Restriction violations, time frames for coming into compliance, fine schedules, and for the recording of the Order of Enforcement in the Public Records of Lake County, Florida.

**C) Deed Restrictions.** The Board hereby adopts by this Rule portions of the applicable Deed Restrictions that relate to limitations or prohibitions that apply to the external appearances or uses of Homesites or that are consistent with the requirements of a development order or regulatory agency permit. A detailed list of the exact Deed Restrictions being adopted by this Rule for possible enforcement by the District is included in the Procedures for Compliance of External Deed Restrictions and Schedule for Fines, attached as Appendix "B".

**D) Fines/Attorneys' Fees/Costs.** Fines may be imposed for violations of this Rule. In addition, the Board shall require that each Owner reimburse the District for attorneys' fees and costs incurred by the Board in enforcing the Deed Restrictions against the Owner. The Board hereby adopts the Procedures for Compliance of External Deed Restrictions and Schedule for Fines, included within attached Appendix "B", to be followed when imposing fines for violations of the Deed Restrictions adopted by this Rule. The Deed Compliance Hearing Officer

shall make all final decisions regarding the imposition of fines, if any, at a Public Hearing. The Deed Compliance Hearing Officer finds that the fines are reasonable and are correlated to the costs associated with deed compliance such as but not limited to the costs of inspections, site visits, notice costs and costs of related meetings and hearings.

**E) Compliance Mechanisms.** The Board hereby adopts by this Rule, which includes Appendix “B,” all the Compliance Mechanisms contained in the Deed Restrictions that apply to the external appearances or uses of Homesites, including the requirement for Owner’s to reimburse the District for attorneys’ fees and costs expended by the District in enforcement of such Compliance Mechanisms. Such Compliance Mechanisms include but are not limited to:

- (i) if the Owner does not adhere to the Deed Restrictions regarding keeping the Homesite neat and clean and the grass cut and edged then the work may be performed on behalf of the Owner by the District, but the District shall not be obligated to perform such work, and the cost shall be charged to the Owner as a fine as indicated on the schedule of fines. Said fines shall not be imposed until a Public Hearing is held.
- (ii) the District’s approval over external structural alterations (including but not limited to fencing, sheds, arbors or similar items), repainting, additions, repairs or improvement of residences/Homesites. Said approval may be granted via an architectural review committee created by the District by resolution or interlocal agreement.

**F) Enforcement Remedies.** The District shall have the right but not the duty to enforce the Deed Restrictions adopted by this Rule. In accordance with the Statute, the District has the right to enforce this Rule and the fines imposed thereby in circuit court through injunctive relief. The Statute also provides that the District can adopt by rule all or certain portions of deed restrictions that relate to enforcement remedies that apply to the external appearances or uses of Homesites. The Board hereby adopts by this Rule all the enforcement remedies that apply to the external appearances or uses of Homesites found within the Deed Restrictions adopted herein. Such enforcement remedies include but are not limited to the District’s right to seek injunctive relief, to collect any imposed fines, attorneys’ fees and costs, and to recover damages or any property charges for such violations. The Board also hereby adopts those portions of the Deed Restrictions requiring that the prevailing party in any legal proceeding or action be entitled to reimbursement of its reasonable attorneys’ fees and costs.

**G) Final Enforcement Decision.** The Deed Compliance Hearing Officer shall make all final decisions regarding which enforcement remedy to seek, if any, at a public hearing. The affected Owner shall be noticed of the date, time and location of the public hearing via certified mail sent to the address on record at the property appraiser’s office and any other known addresses of the Owner. If the mail is

returned non-deliverable, then notice of the hearing shall be posted on the property.  
At the public hearing:

- (i) the Owner shall be allowed to present testimony, evidence and witnesses on their behalf, and cross examine witnesses in regard to the allegations, fines and charges against the Owner.
- (ii) parties that will be substantially and directly affected by the outcome of the Board's decision shall be heard.
- (iii) upon conclusion of all testimony and submitted evidence, the Deed Compliance Hearing Officer, taking into consideration staff's recommendation, shall determine whether the Owner is in violation of the Rule. If the Deed Compliance Hearing Officer finds that the Owner is in violation of the Rule, the Deed Compliance Hearing Officer shall issue an Order of Enforcement. The Order of Enforcement shall include a finding regarding non-compliance, provide a reasonable time for the Owner to come into compliance with the Rule, impose fines, if any, and require reimbursement of the District's attorneys' fees and costs, in accordance with the adopted fine schedule. The Order of Enforcement shall also direct district staff to record the Order of Enforcement in the Public Records of Lake County, Florida, whereby the Order of Enforcement shall then become a lien against the property. The Deed Compliance Hearing Officer may also order continued maintenance of the property. The Order of Enforcement may include direction to District Counsel to seek all available legal remedies including injunctive relief against the Owner and any other directive deemed necessary by the District's Deed Compliance Hearing Officer allowed by Statute.

**Section 5. BEST INTERESTS OF THE DISTRICT.** The Board finds that the adoption of this Rule is beneficial to the Owners and that enforcement by the District is appropriate.

**Section 6. NOTICE.** Within sixty (60) days after this Rule takes effect, the District shall record a notice of rule adoption stating generally what rules were adopted and where a copy of the rule may be obtained.

**Section 7. AMENDMENTS.** This Rule may be amended from time to time by rule of the Board upon public notice and at least one (1) public hearing.

**Section 8. EFFECTIVE DATE.** This Rule shall become effective upon its approval by the Board of Supervisors of the Village Center Community Development District.
